

Dear Friends,

On December 21, 1620, a small group of settlers from Europe sailed into Plymouth Harbor after 66 days at sea in a 30 foot sailboat we know as THE MAYFLOWER. Huddled in tight quarters with sickness and fatigue raging, they became aware they were off course and needed to draw up some laws or rules to live by. They wisely drew up what became known as the “Mayflower Compact” and began Americas first settlement.

The winter was tough and forging out a place to live was difficult. Fortunately, the Indians were friendly and taught them many skills they would need to establish a colony in what they called, “Americas”. History shows God had his hand on them from the beginning.

They were extremely grateful to God for the success they found in their new found freedom to live and worship as they desired. Thus, they began what we now celebrate as Thanksgiving Day every November.

Back to the Mayflower Compact. In 1802 John Quincy Adams proclaimed that the Mayflower Compact had laid the basis for “the great experiment in republican government to come”. We’ve lived in the success and are now seeing the destruction of our great country.

In this crazy world, can us as believers in Christ, pause to remember that our ultimate “Compact” is the BIBLE, the inspired Word of God. Let us rejoice and be thankful for the Creator of this World who has promised a crown of life to those who love Him. Please take the time on Thanksgiving (and the rest of the year) to give THANKS to God for all He has provided.

Very early this morning, I listened to CeCe Winans sing “Goodness of God” and I recalled the many times I’ve seen His faithfulness come to life here. There are so many things to be thankful for. Things like Hard Hearts being softened, Marriages being restored, and Health and Sanity returned to those who had abused their bodies.

As we prepare to wrap up 2023, I am believing for yet another time when our supporters will rally to the cause and help me end a tough year on the VICTORY side. I can’t outline all the tough times in one paragraph; but, I can say, I THANK MY GOD FOR ALL HE HAS DONE FOR ME THIS YEAR.

Your faithfulness has been a strong rock for Karen and I; and, we love you for all you do to keep us on the front line against addiction.

Helping Hurting People,
