

Dear Friends,

In the church world, there are terms we use in ordinary life that we sometimes don't really have a clear meaning as to their origin or proper use. The first one I ran head on into was the use of the word, "Reverend". It's a title of significant honor and respect.

In my childhood understanding, I thought that was a person that stood behind a pulpit and preached. As I grew older, I figured out that "you better respect that person because he is special". I guess that translated to him being "revered". Since my father was a REVEREND I understood that he was special, so it made sense to this kid. Then I grew up and went to Bible College and people started calling me "Reverend" and I knew I hadn't gained that much respect that quick. (Not sure when you actually cross that line.)

Now, I found out that a person with the title of "Reverend" is reserved for those who have been ORDAINED into ministry. So, I set out to understand the word ORDINATION.

Ordination is described as an event where someone has been involved in SUCCESSFUL ministry for a period of time. They are recognized for their CALLING INTO MINISTRY. The Bible refers to those in spiritual leadership who find a person of this qualification and they lay hands on them and pray over them giving them a charge to go forward in their ministry. The apostles did it.

This sets up a huge milestone in the life and ministry of one of our graduates. Mr. Hal Thompson attended and graduated this program and immediately began sharing the good news of Jesus to all he met. He began teaching a Bible class to construction workers and his story got around town. He began to be invited to churches to share his story of redemption. He has been instrumental in organizing a county wide revival and now has been asked to pastor a church!

We will gather on October 2, 2022 in Alcolu, SC at Clarendon Baptist Church where he will be recognized in an ordination service. His pastors, family and friends will gather to pray for him and accept the charge of supporting him as he takes the torch of leadership as a "Reverend".

I am proud to be part of this ORDINATION and stand beside a fellow minister that YOU had a big part in bringing to this time. The support, prayers, and friendship we have received over the past three decades has been absolutely awesome! If Hal was typing this, you would see the word JESUS all over this page. That is his answer to a lost and dying world because he knows Jesus changed a hard-core drug addict into a tender hearted loving father, husband and now MINISTER OF THE GOSPEL OF JESUS CHRIST!

Thank you for giving this month!
