Adult & Teen Challenge

South Carolina

As the days grow shorter and the crisp air of November settles in, we're reminded that the year is quickly drawing to a close. This month, we invite you to pause with us and reflect on the profound gratitude that fills our hearts—gratitude for the life-changing work happening daily at Teen Challenge of South Carolina, and gratitude for the unwavering support of friends like you.

Your generous support makes hope a reality.

As we look ahead to 2026 and the many souls still waiting for hope, please consider making a special year-end gift today to help us meet the needs of every man who walks through our doors.

*"What I'm thankful for is having a chance to turn my life around. I am not on drugs and have a future. Since coming to Adult & Teen Challenge, they took me in like family and showed me that **there is hope for me** as long as I'm willing to put in the effort. While being here, they are teaching me about the Bible, and if I truly believe in God with all my heart, anything is possible. Adult & Teen Challenge has and always will have a place in my heart."*

Our students enjoy fellowship and time with their families on our beautiful campus

From the Staff

All my life, I've heard people talk about how fast a year rolls around. Now that I'm one of those people living on a fast merry-go-round, I know what they meant!

It's Thanksgiving season, and another year has flown by, in that there are so many things to be thankful for this year.

Please gather your family around at some point and have a time of listening to things each person is thankful for. I guarantee you it will make memories for a lifetime.

God bless you for your love, prayers, and support of this ministry. Our best days are still ahead!

Helping Hurting People,

Rev. Wayne Powell

Rev. Wayne Powell
Public Relations

As the days grow shorter and the weather turns cooler, we are reminded to embrace gratitude for our loved ones and the blessings of another year. As we reflect on the past months and look ahead to the coming season, our heartfelt wish is to reach out to as many souls as possible in 2026.

Many are still hurting, longing for hope, for a prayer answered—that their loved ones, whether husband, son, brother, or grandson, might find their way home, wrapped in the love of Jesus and free from bondage.

Over the past few weeks, Pastor Wayne and I have been working together to develop the ATCSC 2026 budget. With rising costs of insurance and day-to-day expenses, we have had to increase our budget, like so many of you. It is a great leap of faith BUT it is because of your faith and giving that we can serve men, like William, with compassion and hope.

Thank you for your love and prayers!
