

150 Years of Kris Kringle

150 Years of Kris Kringle Art Event at the Loveland Art Studios on Main Registration

Loveland's Sesquicentennial is right around the corner. That's 150 years in the making. It's such a big event, it couldn't fit into the 365 days of 2026. So to celebrate this historic moment the Art League of Loveland & LASM is doing a "150 Years of Kris Kringle Art Show" this year in 2025

This is a call to artists to showcase and sell your version of Santa in the Main Gallery of LASM. All mediums accepted. Limit 3 pieces of art per artist. This is a "PG" show, so art that is not appropriate will be declined

Registration: Send completed registration and a jpg of each piece to:
