## Register for Your 2025/26 Classes and Perform in Our January "Winter Wonderland Showcase"

Welcome to our Dance Arts Conservatory family! We are so happy that you found us, and are thrilled that you will be joining us for our upcoming season. DAC has been providing performing arts education since 2004, we are truly impassioned about the arts and can't wait to lead you on this incredible journey in dance and theatre performance. Where students get to experience a valuable arts education, all the while developing close friendships, experiencing the joy of collaboration AND becoming part of a life-long performing arts family. With numerous performance opportunities, the self-esteem these students develop while growing in the arts is priceless! We believe the arts are positively transformative for our children and our communities. All of the students enrolled in our premium studio classes are taking the stage TWICE this year, performing at the end of each session (in January and May) in full costume, for their families and friends, dancing in a state of the art theatre. Every class will perform! And the memories they build will last a lifetime!
