is excited to offer a summer dance class
for developmentally delayed children who may be on the
Autism Spectrum,
have Down’s Syndrome, or are challenged in any other way.
Ages 4-8

I Can Dance!
Mondays and Wednesdays
2:15-3:00pm
July 10 – August 3

555 Burbank Street, Unit N  Broomfield, CO  80020   dasbroomfield@msn.com

As the first dance studio in the Broomfield area with a commitment to community
outreach for over 60 years, we are proud to offer these classes free of charge as our
gift to the community.
Please register at www.danceartsstudio.org.
Once you have registered, we will send out a form for you to fill out, telling us all about your special dancer.

This class will be led by a dance teacher and we will have a certified OT on hand to assist,
(see bio below) but you are welcome to have your own caregiver participate as well.
Parents/caregivers will be required to stay in our lobby during the class.
Dancers should wear comfortable clothes, tennis shoes and bring a water bottle.

Jilda Senatore
Jilda is a recently retired pediatric Occupational Therapist with over 40 years of experience working with special
needs children. She graduated from Colorado State University and then pursued specialized certifications in Sensory
Integration and Pediatric Neuro-Developmental Treatment. She has had a passion for working with autistic children
and exploring their sensory challenges.

Jilda has always incorporated dance and movement into her therapy practice and has directed and choreographed
many school pageants and dance performances with special needs children. She started and co-taught a
developmental disabilities dance class for Easter Seals of Oregon.

She has worked the last 5 years as part of an Autism Multidisciplinary Team at Stride Learning Center in Cheyenne,
Wyoming. She was responsible for evaluating, providing treatment, and consulting with teachers and parents. She
has developed many treatment programs using sensory rich activities to help children adapt to sensory input in their
everyday lives. She is especially dedicated to using dance and movement to improve motor coordination, body
