Profile of Angels – a home for abandoned babies

Mission Statement

With passion, a positive attitude and determination we will work together to ensure that the babies placed in our care be loved and well cared for.

Our Vision

Angels is an organisation dedicated to the welfare of abandoned, orphaned, sickly or abused babies placed in our home.

We will:

- Make it our priority to nurture these babies with love and care;
- Taking care of all medical and educational needs that may arise;
- Encourage a holistic approach to ensure a safe, loving, homely environment;
- Take care of all the babies needs until they are adopted or adulthood should adoption not be a successful route.

Our aim

Now that our babies' home is running smoothly and we have ironed out all the creases, we will be looking at a bigger home which will enable us to take care of more babies. We would also like to work on making the home sustainable.

Donors / Sponsors

Our vision will not be made possible without the help of donors / sponsors. All donations and sponsorships received will be used for the home. The organisation will be run with an open door policy and our financials will be available at any time. Anyone is welcome to visit the home at any time no appointments necessary.

We would like to express our heartfelt thanks to all who have supported us in the past and to those who continue to support Angels. Together we will make a difference.

Should you require any further information please do not hesitate to contact me.

Thanking you

Yours sincerely

ANNE EBRAHIM

*We think sometimes that poverty is only being hungry, naked and homeless.
The poverty of being unwanted, unloved and uncared for is the greatest poverty.
We must start in our own homes to remedy this kind of poverty. - Mother Teresa*
