

Bartender packages:

Things that can affect how many bartenders you will need:

The number of people that are/will actually be consuming alcohol or utilizing the bar.

Are there self serve non-alcoholic-beverages being offered away from the bar area?

Is there a full bar or only beer/wine?

Event size: These numbers are only a guide and do not always apply

0-75 people= 1 Bartender

76-150= 2 bartenders

151-200= 3 bartenders

201-250= 4 bartenders

251-350= 5 bartenders, etc.

Basic bartender package means; the bartender is hired to prepare and serve drinks only

Beyond the bartender;
