

# Why rent from us?

## Reduce Costs

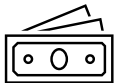

### Staff

You only need 2-3 workers to run your kitchen, not 15-20 employees with brick- and- mortar.

### Low Overhead

You will not be paying high rent for brick-and- mortar buildings/locations. Our kitchens are in the heart of the delivery demand. Save on your overhead with a monthly fee and less costs for utilities and cleaning.

### Cost of Goods

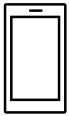

Through our exclusive partnership with **PFG Food Service**... You will receive discounts on bulk food and supply orders along with direct support and timely deliveries.

# Increase Revenues

## Profiles on Delivery Apps

You will be provided technology for all orders and menu management. All 1st party and 3rd party orders routed and managed from one site.

## Digital Scene

Your restaurant will be actively promoted and marketed. Digital users will be able to order from all participating restaurant menus via a one-stop-shop, add to cart. 20 restaurants, one order, one delivery!
