The Eagle's Wings Initiative

Like Eagles, our children were created to soar. It's up to usto give them WINGS!!

Vision: Develop an educational system for the Tubman-Gray School to ensure all its students achieve the highest academic standard in the country and that the system becomes the model for education in the Republic of Liberia.

Mission: Develop and implement the *Eagle's Wings Program*, a robust and high quality educational system in grades 1-3 as a foundation

Strategy: The *Eagle's Wings Program* will focus on curriculum development/enhancement, teacher recruitment and training, student financial assistance, essential educational tools, supplementing teacher salaries, best practice teaching strategies, and creating a safe, healthy and supportive learning environment.

The Eagle's Wings Initiative

Core Values/Beliefs

*G*rowing college & career ready learners

*B*uilding a culture of ethics & integrity

*A*chieving academic excellence

*R*ecruiting, training & retaining quality teachers

*N*urturing authentic, positive relationships with and among students

*G*arnering community participation and support

*A*ssuring a safe and supportive learning environment

The Eagle's Wings Initiative

□ Financial Management

- Funds will be transferred to the school via Western Union
- School will issue receipts acknowledging receipt of funds
- School will also issue receipts for everything the funds are used for, books, financial aid etc.

□ Financial Aid

- Financial aid will be granted to first graders
- No financial aid will be given to relatives of employees at the school
- Students will go through a screening and then an evaluation process to be selected
- \$1950 has been awarded in financial aid, targeted for 17 students under the anticipation that the school will have 8 students paying full tuition; bringing the total to 25 students in the classroom
- The school will determine how much financial aid a student will get based on information they gather on parents' ability to pay and academic achievements
- Intent is for parents to pay some of the fees in order to have a stake in their child's education. However, there may be mitigating circumstances where some students may receive 100% support based on academics and parents' financial standing.
- The school will give us names, photos, registration forms, payment receipts of all students given financial aid

□ First Grade Selection Process

- Screening-Limited analysis of their ability to write, spell, identify colors and other things they should have learned in
- Assessment
 - Writing and reciting capital and small letters
 - Writing and saying their names
 - Writing two letter words (So, go, Lo, No, etc.)
 - Writing and reciting the numbers from 1 to 100

Membership Drive

❑ Why is registering on the Website important?

We can push information to you as opposed you going to WhatsApp or Messenger and missing it if you miss a few days.

❑ Registration Drive Ideas

- Make it a prerequisite to adding name to WhatsApp or Messenger
- Call us and ask to register you
- Ask them to put their information on WhatsApp or Messenger and we will register them
- Ask people to call those in their circles
- Put an Ad Hoc Team together
- Remove Graduation Date, Birthdays from Registration form to simplify process
- New Ideas

❑ Next Steps

- Set a Goal - WhatsApp has 82 names in group, Messenger over 200 names in group
- Methods to achieve Goals and timeline

❑ Payment Incentive

- Pace Setting - Officers set the pace by donating at **Bronze-Eagle level of \$150** by year's end.
- Encourage members to start donating routinely and not wait until the convention
- Let's set a Goal. Xxx by yyy
