WINTER REVEALS A NEW MEDITERRANEAN

Here's why late fall and winter are the Mediterranean's best-kept secrets:

- **More Time in the Cities You Love:** With two overnight stays on nearly every itinerary, you'll have time to explore cities like Venice and Dubrovnik during a time of year when they feel local and new.
- **Winter-Only Destinations:** Stroll down Nice's seaside promenade, explore Genoa's palaces or sip Chianti in Tuscany. These winter destinations reveal a Mediterranean that feels more authentic and entirely your own.
- **Exclusive Experiences:** Tour the Royal Palace of Caserta in Naples. Taste volcanic wines in Sicily. Explore Gaudi's masterpieces during an overnight in Barcelona. Some Windstar adventures are only possible in winter.
- **Seasonal Celebrations:** The Mediterranean loves winter — and it shows. With celebrations like Venice's Carnevale, which transforms the city with masks and parades, it's easy to see why winter belongs to the Mediterranean.
