March, 2020

West District Friends,

I can't believe it's March already! I want to say thanks to those who attended our training event, "Bridging the Distance" on Feb. 29 in San Angelo. Carl Rohlf's did a great job engaging us to think about bridging the distance we create between ourselves and God, and the distances between us in West Texas. Who knew a competitive game of *Blockhead!* would be so funny? Who knew *Blockhead!* still exists?

We also engaged in some sharing and listening to each other, and heard a little bit about the upcoming General Conference of the UMC, May 5-15 in Minneapolis. *Keep praying, please.*

And thank you to our Bridging the Distance leadership team, and to First UMC San Angelo for hosting us so well. Please send us some feedback about the event. (See below where!)

Those in attendance know that just before everything got started on Saturday morning, I received a call from my mother telling me that my Dad had just been admitted to the hospital in New Braunfels. As the day progressed we learned that he had a mild heart attack, possibly caused by a clot near his heart. He's feeling much better now, and got discharged from the hospital on Monday. His condition is being treated with a couple of new medications. The worst part of it was that Dad had to miss his grandson's wedding Saturday evening (my nephew Tyler). After we knew Dad was going to recover, we made sure we got Mom to the wedding in Wimberley on time. Thanks to all of you who have reached out to me to inquire about Dad; and, of course, for your prayers.

This time of year makes me particularly glad I live in Texas. I saw my first few bluebonnets this weekend; and this is when my favorite tree, the Mountain Laurel, blooms in all its purple, sweet-smelling beauty. I'm starting to plan my back porch herbs and peppers garden. And I'm starting to see more newborn lambs, kids and calves as I drive here and there (mostly there!).

It is always good to see my West District friends. Be looking for me as I try to get around to most of you this year.

Blessings and Peace,,
Andy

Candidacy Summit

By nature of our baptism, we are all called into ministry. We are incorporated into the Body of Christ, where we are to utilize our God given gifts and talents for the furtherance of the Gospel and God's kingdom. It is within the community of faith that persons are identified as having gifts for set apart ministry to lead and provide spiritual nurture to the Body of Christ and be bridge builders between the church and the world. A call to set apart ministry involves a discernment process in which a person not only senses a call from God, but is also affirmed in that call by the Body of Christ.

If you are sensing God calling you to the set apart ministries of Elder, Deacon or Licensed Local Pastor within the Rio Texas Conference of the United Methodist Church, begin by taking these next steps in your discernment process:

- 1) Contact your pastor or campus minister and discuss with them your sense of calling.
- 2) Order the following resource to read and discuss with your pastor: The Christian as Minister available at www.cokesbury.com.
- 3) [Download the Candidate Formation Checklist](https://riotexas.org/candidacy-summit) at <https://riotexas.org/candidacy-summit> and begin working through the steps outlined there. Candidacy is the first formal step toward ordination as a deacon or an elder or licensing in The United Methodist Church.
- 4) Prepare to attend a Candidacy Summit.

The next Candidacy Summit is scheduled May 1-2, 2020. The **deadline to register is April 1, 2020.**

**WOMEN'S RETREAT
FOR
LAY AND CLERGY WOMEN
RIO TEXAS CONFERENCE
FIRST UNITED METHODIST CHURCH
900 S. SHORELINE
CORPUS CHRISTI, TEXAS
APRIL 17-19, 2020**

Dear Sisters in Christ,

The Coastal Bend District is very excited to host this event for all LAY and CLERGY WOMEN of the Rio Texas Conference.

Rev. Dr. Katharine Rhodes Henderson, President of Auburn Seminary in New York, will be our Retreat Leader. We are truly blessed to have Dr. Henderson coming to

us. Several others and I heard her speak in New Orleans a number of years ago and have not forgotten the experience. The theme is:

JOY & RESISTANCE

Dr. Henderson will be sharing information on research she has been involved in called "Bright Spots." She will be sharing the JOY found in innovative ministry that is working in various settings, and addressing the RESISTANCE that is experienced in the midst of change.

Dr. Henderson will be talking about demographic changes in our country and how we might create a world where we ALL BELONG.

Participants can also expect to experience the value of poetry and journaling as important elements in spiritual growth and maturity.

Since this is a "women's" retreat our leader will be presenting content as seen through that gender lens – both the upside and downside!

In the mist of the changes we are facing in The United Methodist Church, let's come together to learn how we might more effectively be the hands, feet and voice of Christ in our world today.

Along with the leadership team, I am looking forward to experiencing this event with you. Please go to <https://www.coastalbendumc.org/district-womens-retreat.html> for more information regarding retreat and hotel registration!
