Register at: <https://www.a21.org/san-angelo>

- Human trafficking is happening in San Angelo to people you know.
- Worldwide, nearly 25 million people are trafficked each year. ([The facts and figures of human trafficking in Texas \(newsnationnow.com\)](#))
- Traffickers make an estimated \$600 million a year off victims exploited by forced labor. ([The facts and figures of human trafficking in Texas \(newsnationnow.com\)](#))
- More than 313,000 victims of human trafficking live in Texas. ([The IC² Institute](#))
- To date, minor and youth sex trafficking has cost the State of Texas approximately \$6.6 billion. ([The University of Texas at Austin](#))
- Almost 20% of all trafficking victims in the U.S. travel through Texas, usually on the Interstate 10 corridor. ([Center for Public Policy Studies](#))
- El Paso and Houston are identified as Texas cities with a particularly high level of human trafficking. ([Texas Advisory Committee to the United States Commission on Civil Rights](#))
- Next to Florida, Texas scores last in a comparison of how states are addressing this issue. ([2021Toolkit.pdf \(sharedhope.org\)](#))
