## BOURBON

### *BARREL STRENGTH*

### *OVERVIEW*

Award-winning Bourbon company named after the founders recently born daughter. Penelope Bourbon Barrel Strength provides our signature four grain balanced flavor profile uncut, straight from the barrel.

Four grain straight bourbon is blended from three bourbon mash bills that are aged more than 24 months in new American oak barrels. The barrels were hand selected and blended into a single batch in order to create this unique offering.

**Proof: 116.6 | Alc. by Vol. 58.3%**
