

Trading with margo&evie and margo&evietoo.....

We have a number of different rental options including glass cabinets @ £84.00 per month, and quadrants (at margo&evietoo only) @ £180.00 per month. Other units are priced according to size and start at £30.00 per month up to £400.00 per month. All prices include VAT. A commission of 10% plus VAT is taken from each sale.

Both shops are open Monday to Saturday 10.00 until 17.00 and Sunday 10.30 until 16.00.

Rent is due from the trader monthly, on the 1st of the month by standing order and sales are paid on the 5th/6th of each month.

Each trader will be given a trader number and this stays with them regardless of how many spaces are rented and whether the trader rents in both shops or just one.

We use a POS computerised till system run by Lightspeed to record transactions. Lightspeed sends out a daily, automated inventory report at midnight. This is cumulative and therefore by the end of the month the trader will have a full month's report. The inventory is then cleared to start again from the 1st of the following month.

We are happy to display the business cards of traders if these do not advertise goods and services that conflict with other businesses within Heart of the Shires Shopping Village and The Bell Plantation Garden Centre. We endeavour, where possible, to promote any trader's social media posts and expect that all traders reciprocate and follow margo&evie, Heart of the Shires and The Bell Plantation as well as other traders.

Our business is the sale of vintage goods, antiques, up-cycled furniture, handmade and collectables as well as some new items (tba). Currently we are not taking on anyone selling candles/diffusers/melts etc.

Traders are responsible for insuring their own stock within both shops and any goods being sold must comply with the relevant Health and Safety and Trading Standards criteria and labelled correctly.

A full copy of our full terms and conditions are available upon request.

We hope to hear from you soon.
