Rule No. 12

INFORMATION AVAILABLE TO PUBLIC

D. 1. Change of Rate Schedule by Customer (Continued)

after the regular meter reading next following the date of such request for metered service and at the beginning of the regular billing period next following such request for flat rate service. The utility may refuse to permit such a change unless service has been taken under the current rate schedule for a period of not less than 12 months, except such change will be permitted when an applicable new or revised rate schedule is first put into effect or the customer's operations have so changed as to justify immediate transfer to a different schedule.

- 2. When service is furnished on an annual or seasonal basis, a change in schedule may be made only at the end of a regular billing period.
