

Rule No. 4

CONTRACTS

A contract, as a condition precedent to receiving service from the utility, will be required only under any of the following circumstances:

1. Where required by provisions in a filed rate schedule.
2. When a main extension to be made under the provision of Rule No. 15 requires an advance for construction.
3. For temporary service supplied under the provisions of Rule No. 13.
4. For standby service, except where furnished under a filed rate schedule not requiring a contract.
5. For any service to be furnished at rates or under conditions other than the rates and conditions contained in these tariff schedules, such contract to become effective only after such authorization as may be required by the Public Utilities Commission has first been obtained.
