

## Rule No. 13

TEMPORARY SERVICE

## A. Establishment of Temporary Service

1. The utility will, if no undue hardship to its existing customers would result therefrom, furnish temporary service when the applicant has requested service on this basis or the utility reasonably expects the service to be temporary and the applicant therefor has:
  - a. Advanced to the utility the estimated net cost of installing and removing the facilities necessary to furnish the service; and,
  - b. (1) Deposited a sum of money equal to the estimated bill when the duration of service is to be for a period of one month or less, subject to adjustment and refund or repayment in accordance with the actual bill due upon discontinuance of the service,

or

  - (2) Established credit in the same manner as is prescribed for permanent service when the duration of service is to exceed one month.
2. Adjustment of any difference between the estimated net cost advanced and the actual cost of installing and removing the facilities necessary to furnish the service, including reasonable costs for depreciation and consumption of such facilities, will be made within 10 days after the utility has ascertained such actual cost. The actual cost thus advanced is not subject to refund except as hereinafter provided.

## B. Change to Permanent Status

1. In the event a temporary service becomes permanent, the utility will refund the amount advanced for the temporary service when a main extension is not involved.
2. Where a main extension to an individual is involved, exclusive of an extension to serve a real estate development or subdivision,
