### "Let Your Faith Be Bigger Than Your Fear"

"In a time such as this," our faith needs to guide us, not fear. "Fear thou not; for I am with thee: be not dismayed; for I am thy God: I will strengthen thee; yea, I will help thee; yea, I will uphold thee with the right hand of my righteousness." Isaiah 41:10 May I share with you that God is in control. All though man-kind, disease has preyed upon man. For the last few years we have experienced Swine Flu, Influenzas, Flu and all the other flu's, they are all easily spread, usually self treatable, usually self diagnosable and resolves in a few days for most folks. Coronavirus is not new to God. This too shall pass away. The sooner the better for me. We have survived all the others and our prayer is that we will survive this as well. Fear causes folks to do things not logical. Fear is a tool of the devil and he uses it as much as he can. Fear, by its very nature, brings division, tears us apart and makes us doubt the goodness of God. The devil is a liar and the truth is not in him. Fear is perhaps the oldest and most common human emotion. Left unchecked it will ruin you and cause your life to be miserable. Your adversary the devil prowls around like a roaring lion seeking someone to destroy. God who is all powerful, over our feelings, situations and **even the things in our life that are outside of our control**. He is a Big God and does big things, even for us little folks. With the ever negative news and ever negative people its no wonder we have fears! Don't listen to them. 2 Timothy 1:7 For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind. Fear has no place in the life of a Christian. Psalm 23:4 Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me. We may not understand Gods ways but we can rest in the assurances that His ways are always good. Psalm 27:1 The Lord is my light and my salvation; whom shall I fear? The Lord is the strength of my life; of whom shall I be afraid? I am not going to listen to the folks who do not trust God. God's word is clear, Christians have no reason to fear the evil in this world. None whatsoever. Time to let your faith in God be the determining force in your life. Yes, we need to use common sense and wash our hands, just for the record I was washing by hands before this fear factor that is upon us! Sometimes common sense is not very common. We need to follow the advice of the medical professionals and listen to our leaders. Don't let fear take you out of the will of God. Let your faith in God be bigger that your fears. We must figure out a way to survive and all I know to do is to follow God and His teachings, it will last all through eternity. It has lasted for all these years, why won't it work now? Keep working where you can. Put your faith in front of you and don't listen to the nay sayers and those who spread fear. Sometimes fear goes around the world while faith is still putting his shoes on. The world is watching you and I. Let's honor God, do those things that He has called us to do. Figure out a way to make it work. This is an opportunity for our faith to grow. Fear causes us to go out and buy 55 rolls of toilet tissue while faith tells us to buy what we need. Help your neighbor during these times. God is with you. He said he would never leave you nor forsake you. We have a great opportunity to witness to a lost world and weak Christians. Yes folks are dying every day and have since the beginning of time, but now we have the means to share Christ with them and disciple them before they die. Let your faith be bigger than your fear and go to work even in small groups if necessary as our leaders are telling us. Be well and stay healthy.

*Your Servant, David*

### Psalms 46:10

**Be still, and know that I am God: I will be exalted among the heathen, I will be exalted in the earth.**

As we work to get through this situation with the Covid-19 virus, let us keep our eyes upon the one who created heaven and earth. When we panic with fear we are not resting in the promise of God. We are trying to feed people that may find themselves not prepared if we are told to stay within our homes for a while. Our goal is to get food into the hands of people so that they will have enough food to last. We are only doing food at this time to help eliminate as many people from the food room as possible. Only one "neighbor" at a time can access the food pantry. If someone is sick we will pack the food box for them and they can wait outside in their car. These precautions are put in place to make sure that our elderly, volunteers and staff are as safe as possible.

Our meat, cold items, vegetables and fruit that we receive from Food Lion has dropped drastically. They no longer have items to share because everything is being sold. This has cut the amount that we are able to share with our neighbors. We will continue to serve as many families as we can. Thank you for praying for the ARC, it's volunteers and workers that are serving families in need during this time.

Last month we served 156 families which touched 376 individuals. With the clothing we touched around 700 individuals all together. We had 5 new families to come in needing assistance. We have been able to share household items with many that are in need.

We were blessed to have a group of young people from St. Joseph's College in Pennsylvania come and volunteer at the ARC. They helped to bar code all of the soup from Souper Bowl!!!!

If I can help someone in your church during this Covid-19 situation with food please call the office. Thank you for your prayers and continued support in your mission. As we share God's love, let us always remember who is in control and let us encourage others.

Your **VACATION BIBLE SCHOOL** can forever change the lives of Baptist Children's Homes of North Carolina's (BCH) boys and girls by taking on MISSION: Kids NC!

**THE MISSION:** To show God's love by praying, giving and connecting with boys and girls living at Baptist Children's Homes across North Carolina.

### pray

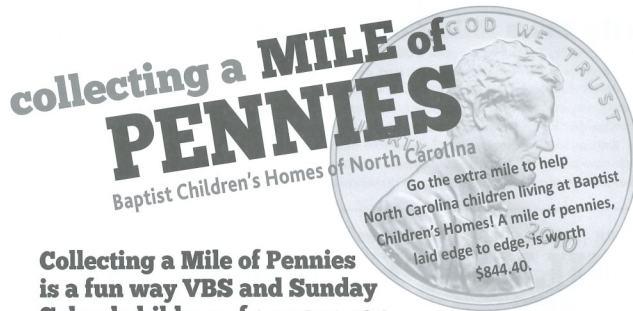

- Please take time during your VBS to pray for the BCH ministry:
- Pray that God will heal children's hurts. Many come to BCH because of family dysfunction, abuse, neglect, and abandonment.
- Pray for the cottage parents who provide a safe, caring home for the children and teach them about God's unconditional love.
- Pray the children will ask Jesus to be their Savior. **70% of BCH's residents come to us unchurched and unreached for Jesus.**

### give

- Prayerfully consider collecting a VBS offering for BCH's children. Your offering will help to...
- Provide hot, regular meals. Some children have gone without eating every day before coming to BCH.
- Buy new clothes. Many children come to BCH with clothes that don't fit or are old and tattered.
- Reach out to children even beyond NC. Your offering will also help provide a caring home for Guatemala orphans where BCH ministers to impoverished children.

### connect

- Connect and learn more!
- Invite a BCH speaker to share the BCH story at your VBS. Call 336-474-1209 to schedule.
- Show a short video. Download at [www.bchkids.org](http://www.bchkids.org) or call 336-474-1209 for a DVD.
- Use the downloadable activity sheet at [www.bchkids.org](http://www.bchkids.org)
- Bonus: Bring your church children to a "Friends of Children" workday, a one-day missions trip at BCH's statewide locations. Dates and info at [www.bchfamily.org/foc](http://www.bchfamily.org/foc)

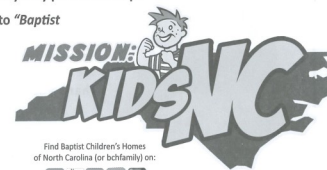

**Collecting a Mile of Pennies is a fun way VBS and Sunday School children of any age can make a difference in the lives of other children!**

**Announce your goal:** Promote the collection early and announce your goal. Maybe it's a half a mile. Perhaps you want to aim for more than a mile!

**Make it fun:** Have a contest between boys and girls, or different age groups, to see who can raise the most! Use a scale and have weigh-ins to see whose collection weighs the most. Collect your change in soda cans (12 oz. soda can holds about 550 pennies), jars, buckets, a children's wagon, etc. Use the Mile of Pennies labels to put on your cans and jars. And organize a penny rolling party.

**Brag on your kids!** Take a photo of your children's efforts. Find "Baptist Children's Homes of North Carolina" on Facebook and post your photo, church name, and what your children accomplished. You can also email your photo to [jbragsdale@bchfamily.org](mailto:jbragsdale@bchfamily.org)

**Send your offering:** We thank you for collecting so much change, but please don't send 84,440 pennies. Check with your bank to find out the way they prefer to accept your pennies. Write a check in the amount you raised to "Baptist Children's Homes of North Carolina" and mail to P.O. Box 338, Thomasville, NC 27361.

Their family's house was very dirty and unsafe. It was not a healthy place for the young brother and sister to live. Noah and Jessica were brought to Baptist Children's Homes late one night. All they had

were the dirty clothes they were wearing.

The children devoured the food BCH's cottage parents, Bobby and Sonya, had waiting for them. They could tell the children did not eat often. The cottage parents prepared baths so the children could be warm and clean. They gave the siblings new pajamas to wear. Bobby and Sonya then took them to see their bedrooms.

"I've never had my own bed before," Noah told the cottage parents. "Do you have rats in the cottage?"

Bobby and Sonya assured the concerned boy that there were no rats. Noah and Jessica were frightened of the rats inside their old house, but they did not have to worry anymore. They were safe at Baptist Children's Homes.

1. Kids love it.
2. It is a great outreach event.
3. It is an opportunity to share the gospel of Christ.
4. It gives kids the chance to spend time together and build relationships.
5. It gives adults a chance to serve and see how much fun and how rewarding working with kids can be.
6. Parents get a chance to hear the gospel.  
*Dedicate at least one night to parent night.*
7. There is something special about a action– packed week of VBS that builds excitement. Excitement we should feel about God and His Good News everyday.
8. You get to build relationships with kids.
9. You get to build relationships with adults.

# WHAT CAN YOU AND THE CHURCH YOU ATTEND DO TO GLORIFY GOD IN THE MIDST OF THIS CRISIS?

For more information go to: [baptistsonmission.org/Coronavirus/Church-Response-Information](http://baptistsonmission.org/Coronavirus/Church-Response-Information)

*Do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with my righteous right hand.*

As followers of Christ, we want to bring hope in the midst of the fear, economic upheaval, and physical challenges many will face in the weeks ahead.

Jesus told his followers, “let your light so shine before men that they will see your good works and glorify your Father in heaven.” (Matthew 5:16) Light pierces the darkness. We can shine brightly by reaching out to those who are facing physical, financial, and emotional crisis because of coronavirus.

We are being encouraged to practice “social distancing,” minimizing the physical contact we will have with people we meet. Many members of our communities will be isolated because they are at high risk for contracting the coronavirus due to age or underlying health conditions.

Churches can mobilize volunteers to show the love of Christ in practical ways offering relief and hope in this time of fear and crisis. Consider the challenges caused by the virus as opportunities for us to shine the light of Christ in the midst of darkness.

# WORK DAY

**Saturday, April 4th 8:00**

The Ashe Baptist Campground Committee has scheduled a work day at the Camp for Saturday, April 4<sup>th</sup>. We are getting ready to open but need to do cut some trees and carry some brush to be chipped up. Gravel will be placed on the road, check tables to be sure they are secure, hook computer to the large TV that has been installed, place nets in basketball goals and volley ball area, and tidy up a bit. I hope you will plan on helping us beginning at 8:00. Plan on cutting trees and small brush with chainsaws and nippers. A lot of folks came last year and we hope for success this year.

## INTERESTED IN HANDS-ON MISSION WORK?

NCBM Lumberton Rebuild Coordinators are requesting assistance as they continue to serve the needs of hurting folks in Robeson County who are still suffering from the storm impacts in that area. Many are still without homes. Don't let your supposed 'lack of skills' keep you away. There are opportunities for anyone who is willing. We'd love to see Ashe Association represented!

**Discipleship Tip of the Month**

**Easter** is a most joyous time in Christendom. It is the celebration of the Resurrection of Jesus, the Messiah. It is a time when we reflect upon the truth of the Gospel – that Christ died for our sins and rose from the dead. Although we see **Easter** only one time in the King James Bible (Acts 12:4), truly it is synonymous with the Resurrection. The Resurrection is proof that Jesus had victory over death and that everyone who believes in what He did on that cross will also live life eternal. **1 Corinthians 15:3-6** For I delivered unto you first of all that which I also received, how that Christ died for our sins according to the scriptures; 4 And that he was buried, and that he rose again the third day according to the scriptures; 5 And that he was seen of Cephas, then of the twelve; 6 After that, he was seen of above five hundred brethren at once; of whom the greater part remain unto this present, but some are fallen asleep. Enjoy **Easter** time! Celebrate! He is risen, He is risen indeed!
