Preacher David's Corner

Rev. David Blackburn, Director of Missions

"God's Amazing Timing!"

The Ashe Baptist Association and Ashe Really Cares continues to have wonderful people serving the Lord. Mrs. Myra Phillips who has been the Administrative Assistant for Ashe Baptist Office. She and her husband, David, have sold their house and are moving to South Carolina. We and our County of Ashe will miss both of them and wish them the very best! I appreciate all Myra and David have done for the cause of Christ. Mrs. Debbie Miller has taken the position of Administrative Assistant at the office and was elected to be clerk and treasurer for Ashe Baptist Association at the October Executive Committee Meeting. She is very gifted and talented and is a Notary as well. She can help you in that area if need be. She and her husband, Butch, are members of Christian Unity Baptist Church. Myra came after Trish Church served as Administrative Assistant for seventeen years. She too was very gifted and talented. Prior to that other ladies had served in that arena. They helped to make what Ashe Baptist Association is today. I will never forget any of them! For twenty three years I have seen God work and place people and use people where they need to be. As your Director of Missions, Associational Missionary and Missions Strategist, I have seen **God's Amazing Timing** at work in my life and yours too. Churches have seen the same thing as well. I see churches grow, and as church plants grow, **God's Timing** helps churches to be the church God wants them to be. I am thankful we have a God who never leaves us and is always with us. He can work in our lives when we let Him lead and guide us He works through His Holy Spirit. When we get self out of the way, get the world out of our mind and seek God's will we find **His Timing** is perfect! I had much rather let God work in my life than try to do it all alone. Preaching Church Revivals I see God at work, they go so smoothly with out interruptions from the world. We need revival for God's Holy Spirit to sweep our lives, county, state, nation and world like a mighty rushing water to get us all where we need to be in His eyes. When things are not perfect I wait on **God's Amazing Timing** to take place in my life and in the life of folks around me. I see God at work all around the world everyday and thank Him for **His Timing that** is perfect! It is His will, and His way that come into play. In the midst of hardships, we tend to feel our prayers and cries to God aren't being heard because we may not see an immediate change in our situations. This is a misconception of how our relationship with God actually should be. We are to put our trust into God's hands, after all, "*God is greater than our heart, and he knows everything.*" 1 John 3:20. And just because we do not see an immediate change doesn't mean God did not hear, because He always hears us when we pray! It is very easy to compare ourselves to others and wonder why something has been answered for them but it has yet to happen for us. We need to understand that there is a purpose and reason for something not happening or not changing. It is we that need to be doing the changing, starting with being patient and waiting on **God's Timing**. Ecclesiastes 3:1 "*There is a time for everything, and a season for every activity under the heavens*". God never promised us that our life on earth would be easy, but He did say that there is a time and season for everything. The only way we can trust in **God's Timing** is through spending more time with Him, allowing His word to shape our hearts and to bend our knees before Him. As our relationship with Him progresses the ability to be patient, still, and obedient only become necessities for this relationship. Lets look at **God's Timing** and praise Him!

Your Servant, David

Psalm 86:12

I will praise thee, O Lord my God, with all my heart: and I will glorify thy name for evermore.

As we look around at some of the sadness that people are going through right now and think of those who do not know Christ. As Christians we don't understand how people make it through this world without Jesus in their lives. Our mission as Christians is to help spread the word of salvation and the hope we have in Christ. Our hope is that others can see the God that we serve and see his healing grace. As we pray for those hurting let us remember how good God is to each of us.

Last month we were able to help 128 families which touched 277 individuals with food boxes. We touched 165 families with clothing and household items. We had 6 new families to come in needing help. Thank you for all of the donations that you and your church give to help hurting families.

With the holidays coming upon us we begin thinking of how blessed we are just to have family and friends. Those who come into the ARC sometimes are lonely and need someone to talk with. As we help them with food and clothing we can also offer a kind word that might make a difference in their day. Some of the food items that will be needed for the holidays are: canned gravy (or mixes), can sweet potatoes, cranberry sauce, instant potatoes, and stuffing mixes. These items will go with the items we already have on hand to help make a holiday dinner.

We appreciate each one that supports and prays for the ARC. This is your mission and God is using each of us to help families see and feel God's love. If we can be of help to you or someone in your church please call. Remember to lift up God's name and be thankful for his blessings.

RE: Countywide Canned Food Drive

The Ashe County Volunteer Initiative Program has now begun its Annual Canned Food Drive, which will run through December 4th. Each year the Volunteer Initiative places boxes at drop off locations where the community can donate canned food and non-perishable items for those Ashe County families in need. Once the donations are collected, they are dispensed among our four local food banks. These are: Ashe Really Cares, The Sharing Center, A Safe Home for Everyone, and Ashe Outreach Ministries. This year will be different due to COVID-19. We are asking for monetary donations only, to stop the spread of the virus.

It is difficult to comprehend, but in our nation, one in six people is hungry, one in five children are hungry, 50 million Americans are hungry. Likewise, about one in every five North Carolinians is hungry and will not have access to enough food this year. That includes over one in every four children in our state. Many of these individuals are going hungry because they have to choose between paying rent and utilities and buying food. This is a wonderful opportunity to make a difference in the lives of many families in our county, not only during the holidays, but throughout the year.

If your church would like to participate by giving a monetary donation, please make your check payable to *Ashe Services for Aging* and in the memo line write *Canned Food Drive*. You can mail your donation to Ashe Services for Aging, 180 Chattyrob Lane, West Jefferson, NC 28694. If you have any questions please call me at 336-246-4347 or email me at TerriHopkins@ashecountygov.com. I sincerely appreciate your consideration in joining our efforts to feed our hungry friends and neighbors.

1 Humbling ourselves in repentance and asking God to forgive our sins and heal our land. When I hold back the heavens so that there is not rain, and when I command the locust to devour the earth, and if I send disease among my people, 14 then if my people who are called by my name will humble themselves and will pray and will seek my face and will turn from their evil ways, then I myself shall hear from the heavens and will forgive their sins and heal their land. 2 Chronicles 7:14.

Discipleship Tip of the Month

Giving Thanks —— Psalms 118:1

We know we are not what we ought to be; and we know that we are not yet what we will be; but we thank God we are not what we once were. For whatever progress that God has made with us, we give thanks Help us to remember that they that wait on the Lord shall renew their strength. May we wait and be made strong. We are made strong through our Lord Jesus Christ! We must turn our confidence toward Him and Him alone! I am thankful that He delivers us from discouragement especially when we feel helpless. I too am thankful He lets us see clearly before crisis clouds them and helps us choose the right paths, lest relying upon our own wisdom we have to choose between evils. May thankfulness draw us to God and bind us to our family and friends. Give thanks to God and to those who surround us!
