Happy Thanksgiving! We are thankful for you! And God is thankful for you too!

You are a blessing to us and many others. We share with you a few of the wonderful things that the Lord has done through you, your prayers and your giving in Mexico.

We have been able to impact community in Queretaro through the joint outreach of Centro Cristiano La Roca Church and Andrew Wommack Ministries and Charis Bible College Mexico. We passed out food to homes in the community, held a fun event for children and their families. We were able to share God's saving love through Jesus and pray and see healings with the people that attended. A woman who had back pain for years was healed that day. Praise God!

We were able to visit and encourage Iglesia Piedra Angular in Queretaro, Mexico. Where we shared on water baptism and then were able to celebrate baptism with Pastor Isai Gonzalez and his congregation. It was a great celebration and God was really glorified.

On October 28th Charis Bible College Mexico held a Healing School where Lili and I were able to serve. We witnessed a woman who was miraculously healed from back pain. Another person received her hearing as she had ringing and reduced hearing in one ear. It is so awesome to witness the power of God's love healing and setting people free! Many people were set free from depression and pain.

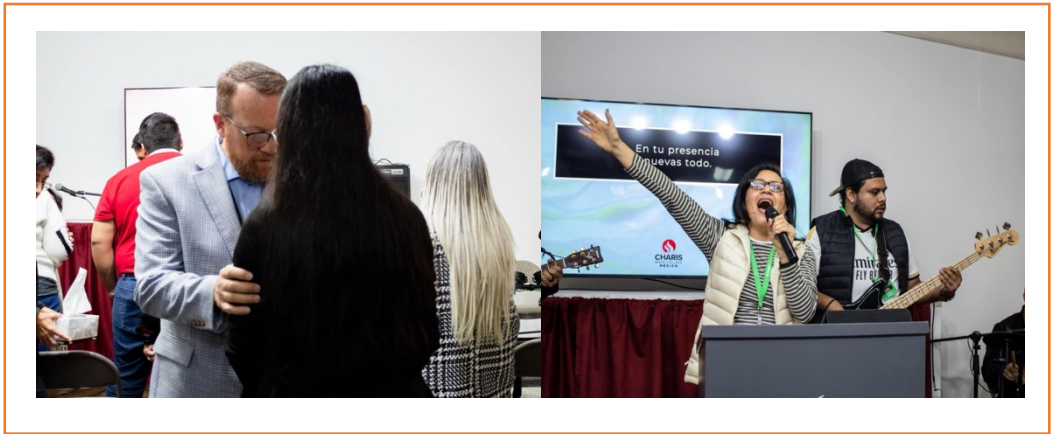

Through your partnership and gifts Burillo Ministries has been able to provide a full scholarship for a first-year bible student. We were able to purchase a new HP printer for Charis Bible College Mexico which is used for printing student study guides and lesson notes. We have been able to give more than 10,000 pesos towards translating more of the Charis 2nd year curriculum into Spanish. These materials and curriculum are transforming the lives of students and equipping them to go out and change the world. We are so thankful that God invites us to participate in all the great things He is doing in our world! He is at work, and it is glorious!

Lili shares this testimony “You are useful, He has prepared you, in your spirit you are just like Jesus, and He has given you His word which is life.

When I arrived in the USA God opened doors for me to teach Spanish to many boys and girls of all ages and even though I felt "inadequate" for that position I knew it was part of His plan and purpose for my life.

Now in Mexico I am an English teacher and I am sure that He is the one who guides and directs me in every moment. I give of what I have been given, thank you Lord Jesus for being my Teacher.”

The Spirit himself bears witness with our spirit that we are children of God. Romans 8:16

Lili, the boys, and I encourage you with this verse from Philippians “this same God who takes care of me will supply all your needs from his glorious riches, which have been given to us in Christ Jesus.” God has made this special promise of blessing for those who partner with Him in sharing the Good News of His son Jesus. We invite you to partner with the Lord in transforming lives in Mexico and across the Spanish speaking world by giving a monthly or a one-time special financial gift.

Forever Thankful,
Robert & Liliana
