

Measurement STATION

Not sure how long to make it?

Use the rulers and jewelry measuring tools here to find a size you love.

BRACELETS

Measure your wrist and add a little extra room for comfort.

NECKLACES

Try different lengths before attaching charms.

DANGLING BAG CHARMS

3-4 inches is a great starting point.

HANDLE-TO-HANDLE BAG CHARMS

8-10 inches is a great starting point.

Remember:

If it looks good to you, it's the right size.

Tools & Ties

Need to put it all together?

You'll find...
