The Tiger Athletic Foundation (TAF) will host the fourth annual WillieT Golf Tournament at the Princeton Elks BPO 1459 (WV) on Friday, October 3rd, 2025. This tournament is in memory of US Army SSG, Will Thompson. After returning home from a second deployment to Iraq in 2010, Will was diagnosed with pulmonary fibrosis as a result of inhaling toxins from Burn Pits and toxic dust in Iraq. Will fought the good fight, which included having two double lung transplants and multiple surgeries over a span of 11 years. After his passing in December 2021, TAF established the Will Thompson Memorial Scholarship. Thanks to generous donors of the community and beyond, we have been able to award scholarships at both Princeton High School, where Will graduated, and PikeView High School, where his children graduated.

TAF is a nonprofit organization formed in 2012 by Tiger alumni to help PSHS athletic teams achieve fundraising goals through team volunteer opportunities in the community. Over the years, TAF has supported many of the 17 PSHS athletic teams with their fundraising efforts. Proceeds from this tournament will assist both the scholarship and general TAF fund. We hope that you will consider helping us with this event. Please see the attached form which provides details on the different ways you can help make this outing a huge success. You may also visit our website at tigeraf.com or our Tiger Athletic Foundation Facebook page for more details.
