About the Event

The Tiger Athletic Foundation (TAF) will host the 5th annual WillieT Golf Tournament on Friday, October 2, 2026, at Princeton Elks BPO 1459 in Princeton, West Virginia.

This tournament is held in memory of U.S. Army SSG Will Thompson. Proceeds will support the Will Thompson Memorial Scholarship and the general TAF fund.

Will's Story

After returning home from a second deployment to Iraq in 2010, Will was diagnosed with pulmonary fibrosis as a result of inhaling toxins from burn pits and toxic dust. Will fought the good fight, which included two double lung transplants and multiple surgeries over an 11-year span.

After Will passed away in December 2021, TAF established the Will Thompson Memorial Scholarship in his memory. Thanks to generous donors from the community and beyond, scholarships have been awarded at Princeton High School, where Will graduated, and PikeView High School, where his children graduated.
