

PIT_TO_TABLE

touch nature in a different way

UN
DP

**Winners of the UNDP
Youth Innovation
Factory 2023**

**Putting organic waste
created in Cyprus into
a form usable globally**

our mission

_provide sustainable alternatives to widespread plastic worktops, using discarded olive pits.

the need

net-zero

by

2050

our product: the pitboard

desktops

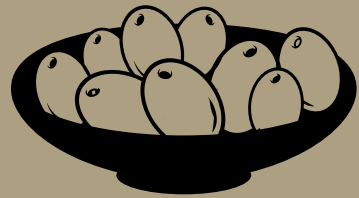

meeting table tops

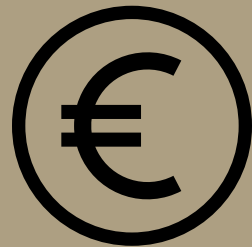

coffee/dining table tops

unique value proposition

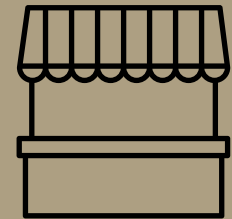

**unique
aesthetic**

**cost &
availability**

**story-
telling**

**market
expertise**

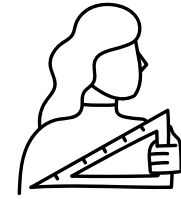

our impact

1. Promote sustainable materials in commercial construction

2. Reduce use of pomace in combustion/ being sent to landfill

3. Increase local employment equally (w/o gender bias)

4. Create a sustainable and scalable business
