*"Oh come, let us worship and bow down; let us kneel before the Lord, our Maker!"
Psalm 95:6*

"...put on love, which binds everything together in perfect harmony. And let the peace of Christ rule in your hearts, to which indeed you were called in one body. And be thankful. Let the word of Christ dwell in you richly, teaching and admonishing one another in all wisdom, singing psalms and hymns and spiritual songs, with thankfulness in your hearts to God. And whatever you do, in word or deed, do everything in the name of the Lord Jesus, giving thanks to God the Father through him." Colossians 3:14-17

Worship is foundational to our life together as a community of faith. That is a statement with which I think all of us can agree. The challenge comes when we all try to articulate what meaningful worship is to us.

The challenge has many levels. They include what our worship experience was in our formative years, special moments when a sermon, hymn, or special music touched us, our level of comfort and ease at participation in worship and even the preferred time when we choose to attend worship. Beyond those challenges are generational preferences for what meaningful worship looks and feels like. Some prefer the newer version of the Lord's Prayer, some the old. Some prefer one version of the Bible over another or more contemporary music over traditional hymns. With the possibility of having three or four generations worshipping together in the same space, there are bound to be differences.

Here at Fellowship, we have had two distinct services this past year to try to address some of those differences and preferences. Our 10:00 a.m. service is a traditional Lutheran Service of Holy Communion with quarterly liturgy changes. Our later service at 5:00 pm is a worship and praise service and has a more contemporary and informal order of worship. Since I have been your pastor, I have thoroughly enjoyed presiding and worshipping at both services.

The traditional service evokes the time-tested order of worship that can be traced back to some of the earliest days of the Christian church. So, for me, who was raised in a traditional structured service, it touches me deeply. Here is the familiar hymnody that has blessed Christians over the centuries, especially for our Lutheran part of God's vineyard where the power of hymns and music are an integral part of the gathered congregation. Here too we have been blessed by our church choir, band, and our many talented musicians.

The Worship and Praise service picks up with praise and some traditional songs played on the piano. The relaxed, more intimate atmosphere of the service allows one to concentrate on the music, the word, and time around the table of the Lord with a small group of people and encourages the sharing of joys, prayer concerns, and God-moments. It really helps those who connect with more praise type music and culture to hear, worship and respond to God, as God speaks to them. So many of the songs speak of our relationship with God, our desire to draw close to God, and God's love for us. I find God's presence in this service, and feel blessed to be part of the worship team. Another plus for the 5:00 service is that it is available if one has plans on Sunday mornings or just wants to sleep in once in a while, and it is a "come as you are" 45-50 minute service. We are committed to offering our 5:00 service through September at which time we will reevaluate the need for this type of service.

I am grateful that our church offers a choice for worship preferences and hope you are too!

See you in church!

Pastor Robin

“I give thanks to my God always for you because of the grace of God that has been given you in Christ Jesus, for in every way you have been enriched in him, in speech and knowledge of every kind— just as the testimony of Christ has been strengthened among you— so that you are not lacking in any spiritual gift as you wait for the revealing of our Lord Jesus Christ.”

1 Corinthians 4-7

Following April’s vote on refinancing our mortgage, The Board of Administration has finalized the loan and the congregation is in the process of moving its bank accounts and all of the associated automatic deposits, payments, etc. The new bank has been very helpful in making this process as painless as possible. I would like to say a special thanks to Tracey Nave for making all of the details come together with the bank. When we closed on the mortgage, the rate was a little less than the last quote that they had given me, so we are going to save just about \$12,000 a year on the mortgage payments. This makes a significant improvement in our overall cash flow.

The Board of Administration and PPC continue to look for opportunities to reduce expenses elsewhere in our budget. Our copier lease comes to an end in the next couple months and we have started to look into a replacement. Like much of electronic technology these days, the cost of similar function goes down over time, so we are anticipating a savings in our lease payments for a replacement copier when this lease runs out. We have also identified a few other cost saving areas and are implementing them as we find them. Thanks to all the Boards for their diligence in looking for opportunities. We are also using Thrivent Action Team grants for as much as we can to offset expenditures. We will be able to fund nearly all of the costs of the Amazing Grace Day Camp, the Teacher Appreciation luncheon and other activities that we can fit into Thrivent’s guidelines with these grants. Some of these things offset our operating expense and some enable us to do things that we hadn’t counted in our regular budget, expanding our ministries.

As I write this, Pastor Bob Abrams had brought greetings from the Synod to our congregation and delivered the sermon for May 27. His sermon focused on inviting, and that lines up with the plans that PPC has in mind coming up over the next few months to do an intentional inviting event. We are looking to use the Fishing For People workshop and other resources to help us each be able to be more comfortable inviting people to visit with us at Fellowship. A couple of Pastor Bob’s suggestions today of ways to start a conversation like that were: to be able to say why you come to church; and offer to pray for someone who is hurting in some way. Ask yourself that question, why *do* you come to church? You don’t have to come to church, but you do. The reason could be why someone else might want to come. As to asking someone how to pray for them, as he said, it offers a way to show that God cares about them (and us) and it is a simple way to show you care and start a healing conversation.

I invite you to try out your inviting. Go back to the exercises that Pastor Robin gave us last summer. Try a 30 second elevator pitch about Fellowship. Think about why you come to Fellowship and tell someone. Offer to pray for or with them. Invite them to an activity like First English, or Men’s breakfast, or the outdoor service, or something else that we do that you like. Our enthusiasm really can be contagious.

Your servant in Christ,
Todd Engen

"Share with God's people who are in need. Practice hospitality." Romans 12:13

The adult Sunday School class will continue studying the Augsburg Confession for a few more weeks. The class will resume in September with reading the entire Bible again. Two more adult members will help share the teaching in the fall with Steve and Bruce. If anyone else is interested, please see me. We would like to have five adult class teachers.

Also, students who are graduating from high school or college will be recognized on June 10th. Please give Pastor Robin the information for this.

Our next men's breakfast will be on September 15th. We have decided to take the summer off and continue it in the fall.

Amazing Grace Day Camp

Please don't forget that AGDC will be July 16th – 20th. This is a major outreach for our church to our immediate neighbors. Please see Todd, Dianna, Pastor Robin, or me if you can help or need more information.

Golf Outing

We will resume our annual golf outing on Sunday, July 22, 2018, after a year of absence due to rain. This will be a four person scramble starting at 1:30. We will all play nine holes, eat, distribute prizes, and head home by 5:00pm. All players of different skill levels are invited to play. This event has always been fun for everyone, and friends are welcome. It will cost you the green fee and golf cart if you desire to ride. Food and prizes are donated. There will be a sign-up sheet posted in the narthex. Please sign up by July 15th so I know how to plan. Call me at 614-707-3275 if you have any questions.

In His service,

Bill

Proverbs 3:9

Honor the LORD with your wealth, with the first fruits of all your crops...

They say that “Money is the root of all evil.” But as Jesus followers, we try to be wise and thrifty with our donations. For example, we donated towards the assembly of hygiene bags and buddy bags, but were thrifty in purchasing the items that were needed.

On June 24, 2018 after the 10 AM. service, Dave Anderson and Adam Ferme will be hosting a seminar titled **Your Values. Your Giving.** in the Fellowship Hall. They will provide information and suggestions to maximize your support to charities and causes that reflect your values, and can also increase your benefits as a donor. See below for more information. If interested or wanting more information, please contact me. We will need a head count by June 10th! Please use the sign-up sheet in the Narthex.

I continue to challenge every family to sign up for one slot on the 2018 host list. It is a very easy way for each of us to help bring our Fellowship family together.

As always, please add these activities to your personal calendar.

- Make a charitable gift while providing for your family;
- Make a charitable gift and, in turn, receive an ongoing stream of income;
- Create a donor advised fund to practice family philanthropy;
- Benefit multiple charities with one gift – immediately and in the future; and
- Reduce or eliminate federal estate and gift taxes.

Please RSVP by June 10, 2018
To RSVP, please call or email or sign-up in Narthex: Karen Espe (Board of Evan. & Fellowship)

Are You Going On Vacation?

Many of our church's families are planning to get away for some summer fun and relaxation in the next few months. We pray that your vacation time will be safe and a source of many happy memories. Did you remember to put a hold on your mail, and stop delivery of the paper? It's all part of planning for your vacation. However, please don't take your church offering with you. Each summer our church office struggles to juggle the bills as Sunday offerings decrease significantly. Remember, even though you're not in church every Sunday, we still have to pay the bills. If you find that you tend to forget your envelope more often during the less structured weeks of summer, please consider our electronic giving program. Sign up for the Electronic Funds Transfer (EFT) program. It's simple! It's safe! It lets you choose how you want to give: weekly, bi-weekly, or monthly. And it keeps God at the top of your giving list even when you are away! Stop in the church office to fill out an EFT form before you leave. Bon Voyage!

With summer comes the opportunity to have some time off from work or school. If you find that you have some time to spare, consider the many service options available through our church. We have folks helping at the LSS food pantry, serving dinner at First English Lutheran Church on the east side, and grilling hot dogs and burgers on Sunday evenings for the basketball crowd. Other opportunities may include helping keep our church clean, weeding the flower beds, or volunteering with Habitat for Humanity. Check the church calendar for all of our service dates.

“Dear children let us not love with words or speech but with action and in truth.”
1 John 3:18

Summer – and a change to our normal routines – is upon us. As schedules relax a bit, we may find new opportunities to share our Fellowship Lutheran worship opportunities with friends and acquaintances. Through the summer, we will continue worship services on Sunday morning and evening, giving people two convenient opportunities to join in our fellowship. Our congregation offers a special opportunity for new friends to join with us to rejoice in God’s grace and love.

And remember our outdoor service at Murphy Park on August 12 is a casual setting for visitors to join our worship family.

Looking toward summer

During the summer months, our time for worship will remain the same, with Sunday worship at 10:00 a.m. and 5:00 p.m.

We will use a hymn-based liturgy this summer that includes the newer version of the Lord’s prayer. With our liturgy change in the fall, we’ll return to the older version of the Lord’s prayer.

The outdoor service will be on Sunday, August 12th.

Summer Special Music

Calling musicians of all ages and abilities to help provide special music for worship during the summer season! If you are interested, please contact Andrea after worship or at vet-med2009@yahoo.com or 614-787-5935. Thanks for helping enhance our summer worship!

Sunday evening Worship and Praise services continue. Please join us at 5:00 p.m. for this 45-50 minute, “come as you are” service with singing, a short message, and communion. There will be no 5:00 p.m. service on Sunday, July 1st.

ELCA Always Being Made New Campaign

"Now to him who by the power at work within us is able to accomplish abundantly far more than all we can ask or imagine,²¹ to him be glory in the church and in Christ Jesus to all generations, forever and ever. Amen." Ephesians 3:20-21

This is last year of the 5 year ELCA Always Being Made New: The Campaign for the ELCA. The goal was to raise \$198 million to invest in the future of the ELCA. Presiding Bishop Elizabeth Eaton said, "Through this first ever campaign, we made a commitment to invest in the future of the ELCA -- and working together to do so. Something we learned and saw with the Malaria Campaign is that every gift counts. It is so important for us to do this together, because, together we can do more. Together, we are deepening our relationships and expanding ministries that serve our neighbors and communities here at home and around the globe."

What has been the result so far? The campaign has supported:

- ~11 New global ministry evangelism projects across the globe
- ~18 new congregational starts
- ~518 projects supporting sustainable solutions to hunger and poverty
- ~521 seminary students with ELCA Fund For Leadership scholarships
- ~125 International Lutheran women with academic scholarships and training
- ~315 Young Adults in Global Mission in 15 different countries
- ~230 missionaries working in more than 40 countries to proclaim the Gospel and raise up new leaders with our companion organizations
- ~26 Renewing Congregations grants in the United States
- ~ELCA World Hunger programs in 62 countries, including the United States
- ~21 new or improved youth and young adult ministries
- ~32 grants for workshops, training, education, and camps for the disabled through Disability Ministries

Here's one example from these many things, Rev. Seth Nelson, Fund for Leaders said, "Oftentimes, discernment can feel kind of lonely. You think, "Am I the only one asking these questions in this particular way?" But, If people are putting money behind you and placing value on what you're doing, that's very encouraging, in more ways than just financially.

ADDRESS SERVICE REQUESTED

Our Purpose: To share God's love and grace through our words and actions.

Our Vision: To be a "called and gathered" family of faith whose members so fully experience the undeserved love of God that we are moved to express that same love of God, in our relationships with one another and our whole community . . .
