"Rejoice in the Lord always; again I will say, rejoice... do not be anxious about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God. And the peace of God, which surpasses all understanding, will guard your hearts and your minds in Christ Jesus." Philippians 4:4-7

Dear Fellowship Members and Friends,

What does it mean to have "peace"? Maybe we have peace when we are healthy. That makes sense. When we are healthy, our bodies feel peaceful.

Maybe we feel like we have peace when everything is going well at work, or in our family life. Being anxious at work or at home, is stressful. Life definitely feels peaceful when work is going well, along with our relationships.

In the passage above Paul said, "Rejoice in the Lord always . . . Do not be anxious about anything . . . And the peace of God, which surpasses all understanding, will guard your hearts and your minds in Christ Jesus." Funny thing about the circumstances under which Paul wrote this...Paul's life was not exactly "peaceful." Paul was sitting in a prison in Rome and his health was not great, but that was alright. It didn't matter in what circumstance Paul found himself. Paul still had peace, because his peace was one that did not come from this world; his peace came from Christ.

As we finish up Lent and prepare for Easter, we see the peace Paul is talking about. As Christians, our peace almost has nothing to do with what is ongoing on in the world around us. Our peace is a lasting, eternal peace because of what Christ did for us on the cross. Because of what Christ has done, we now have peace given to us by Jesus. This is why, like Paul, we may rejoice always.

As we continue our Lenten journey toward the cross and the celebration of Easter, I encourage your involvement in the Holy Week services at Fellowship. On Palm/Passion Sunday we will celebrate with palms before we have a reading of the passion according to the Gospel of John. We've invited Columbus Joëun Methodist Church to our Maundy Thursday worship service which will include a dialogue between Judas and Peter, read by Todd Engen and Jim Jaeger. We will have communion and then strip the altar. On Good Friday, community Sawmill churches will join us for a tenebrae service at 7:30 p.m. Then on Easter morning we will celebrate Christ's resurrection with an 8:30 a.m. service with communion, an Easter breakfast from 9:30-10:30 a.m., and an 11:00 a.m. worship service with communion.

On this past Sunday, we said "good-bye" to Kohei Tateyama and his family. We have been blessed to have Kohei as a member for the last three years after he was transferred to Honda in Marysville. We wish Kohei and his family the best as they return to Japan this week.

See you in church!

Pastor Robin

Hello church community!

It is hard to believe Spring is here and that we are halfway through Lent. I have always enjoyed the reflection and anticipation that Lent provides. I feel so blessed that our church offers the mid-week services and encourage you to attend or watch online. Reflecting on the past few years makes this Easter season extra special and meaningful since we get to worship in person.

In February, we had our Council retreat which was productive and a good chance to get to know each other better while discussing plans for this year. One of the themes for 2022 is to try to bring more visitors in and highlight how great Fellowship is to the local community. Council members shared positive memories of being part of a church and we were able to bond over humorous events that demonstrated the importance of being engaged in church life. We remain hopeful that Covid numbers will remain low so that we can do more as a church.

One of the things we are working on is creating a disaster plan for the church (fire, tornado, etc.). We are finalizing the document and George Biemel created an updated map of the church which will be posted at key locations soon. Council is discussing having a drill for the congregation soon as well.

This Spring has brought some property challenges with a roof leak and Sanctuary lighting problem that we are working on fixing quickly. Our church is blessed to have John Votino helping with property concerns as we get quotes and make decisions. Please consider helping us out on April 9th for our Spring Clean Up. I will be there with my muscles and garden gloves!

I am so grateful for my team on Council. We are looking forward to being able to do more as a church in 2022 as we ease back into our new normal as the pandemic subsides.

Wishing you peace,
Kathryn

"Rejoice greatly, O daughter of Zion! Shout aloud, O daughter of Jerusalem! Lo, your king comes to you; triumphant and victorious is he, humble and riding on a donkey, on a colt, the foal of a donkey." - Zechariah 9:9

Spring is finally here and Easter is coming up in a few weeks...are you ready?

We are planning to have some family activities for Easter this year! I know it has been 3 years since we "properly" celebrated Easter together as a congregation, and it still will not be *everything* we are used to in an Easter celebration, but we are getting a little closer to "normal." This year we can once again **gather together** to celebrate the Lenten and Easter seasons. I hope you and your families will feel comfortable enough to join us for our Easter festivities.

One thing we are planning is to have an egg hunt for the younger members of our congregation. It will be Saturday, April 9th with a rain date of April 16th. The time for the hunt will probably be in the early afternoon since my kids have soccer games on Saturday mornings. More details will be in the bulletins and Facebook.

My other event on the agenda for Easter is Easter Sunday Breakfast in between services! We hope that everyone will come and share in some food and Fellowship between Easter services that morning.

To get an more accurate count on the egg hunt and Easter breakfast, please fill out this survey:

[Easter activities at Fellowship](#)

If you would like to be involved in helping with either of these events please, let me know or fill in those fields in the survey.

Dates to remember:

Kids Easter Egg Hunt TBD	Saturday April 9th (after the Spring Clean-up) at the church,
Early Easter Service	Sunday April 17th, 8:30 am
Easter Breakfast	Sunday April 17th, 9:30 am
Late Easter Service	Sunday April 17th, 11:00 am

Happy Spring!

“Start children off on the way they should go; and even when they are old they will not turn from it.” Proverbs 22:6

Greetings families and friends!

Over the past several months the restrictions of the pandemic have gradually lessened in our community and at Fellowship. Thankfully the limitations have decreased significantly and we are starting to get back to a new normal. As a result, FLC has finally been able to resume youth Sunday School classes. It has been nearly 2 full years without in-person instruction because of several set-backs and restarts!

Although attendance is extremely low for the 2 classroom age groups, we are hopeful that many of our members and visitors will be returning to service and to Sunday School. Students are welcome to join us at any time. Our teachers are Cindy Frey, Karen Harris and Dianna Roll. The remainder of our school year will end on June 5. Currently masks are optional.

- Class starts at 9:15 a.m.
- Pre-K through 2nd grade meet in the nursery.
- 3rd grade through 7th grade meet in the high school classroom.

Adult Sunday School has not resumed. We are open to restarting if there are adults interested. Please let Pastor or Dianna know if you are willing to lead Adult classes and attending.

Summer is just around the corner as we look forward to Vacation Bible School. We are in need of someone to serve as the Director and other volunteers to help run the week-long program. Please contact us as soon as possible so a date can be set and planning can begin. It is a lot of fun and very rewarding!

Blessings!

Concerning Treasures, Matthew 6:19-21 NRSV:

¹⁹ "Do not store up for yourselves treasures on earth, where moth and rust consume and where thieves break in and steal; ²⁰ but store up for yourselves treasures in heaven, where neither moth nor rust consumes and where thieves do not break in and steal. ²¹ For where your treasure is, there your heart will be also."

What has captured your heart? Where would you like your heart to be? Jesus says that where we place our treasures, is where we will find our hearts. Our possessions/ treasures are God's gift to us, so if we share our treasures with others, our heart is filled with God's love and abundance.

Fellowship Lutheran Church (FLC) has been entrusted to share a treasure. A congregation, Grace Lutheran Church, outside of Pittsburgh was closed and sold. Since they are no longer able to do God's work as a congregation, their desire was to use the proceeds of the sale for outreach, so that their treasure would not be stored up, but rather shared. Several congregations near the closed Church and the local Synod also received funds to distribute. Fellowship was selected to receive funds, as our current member, Pete Cardimen, and his family, were members. The leadership of Grace Lutheran distributed the proceeds from the sale to other congregations to use for outreach and service to continue to be a blessing even as their doors were closing. The Outreach team will be working to allocate funds in the coming months.

FLC members continue to give generously to others through the Lutheran Social Services (LSS) and the Smoky Row Food Pantry. In February, the FLC **Souper Bowl** yielded \$261.53 for LSS. Using the two Super Bowl LVI champion teams as our appeal for funds, our members contributed \$233.53 in support of the American Football Conference (AFC) champion, Cincinnati Bengals, and \$28.00 in support of the National Football Conference (NFC) champion, Los Angeles Rams. Though our funds did not reflect the winner of Super Bowl LVI, LA Rams, we supported our Ohio team. The Bengals played the game well, and our support of the team helped us to contribute to LSS. Thank you FLC!!

FLC received the following message from Benjamin Powers, Congregational Relations Manager, Lutheran Social Services:

*I am so excited to report that collectively we had an incredible Souper Bowl! **23 churches** participated in raising over **\$28,000** and collected more than **3,700 lbs.** of food items! Thank you for your support!! As we continue to move forward out of this pandemic, we have met rising inflation and many supply chain issues. Your support is extremely important as we help support our neighbors in need of food and other resources. LSS Food Pantries has seen a dramatic increase in number of clients from even a year ago, which was already high. In February of 2022, we saw an increase of clients by nearly 50% in Franklin County alone. The LSS Food Pantry system served nearly 9,000 individuals last month. Thank you for helping us make this possible!*

The members of FLC have donated many items to **Smoky Row Food Pantry**, including but not limited to the following:

- Diapers (all sizes, and those larger sizes needed by children with special needs)
- Wipes
- Storage bags (used to distribute smaller portions of large products)
- Coats, all sizes
- Hygiene items (toilet paper, toothpaste, shampoo, etc.)
- Gloves/mittens and hats (child and adult)
- Canned vegetables (variety)

The Cardimen family secured a Thrivent Action Grant of \$250.00 for many of the above needed items. The Outreach Team extends appreciation to the generosity of the members of FLC who extend God's love to individuals and families in need of care and hope.

If you are interested in volunteering at Smoky Row Food Pantry located at the Smoky Row Brethren Church, 7260 Smoky Row Road. You can sign up on-line at <https://smokyrow.org/Smoky-row-food-pantry/> Scroll to the bottom of the page to volunteer for dates and times at www.smokyrowfoodpantry.org

Those of you who volunteer with **Meals-on-Wheels**, sponsored by LifeCare Alliance, on the 3rd Friday and Saturday of each month by delivering meals to homebound individuals, have related heartwarming accounts of the gratitude of individuals. They welcome your presence, brief conversation, and personal warmth, in addition to the meal that you provide. The pandemic has isolated some people more than others. You extend God’s love with each interaction. Or, better said, you leave a part of your heart with those individuals you serve at each visit.

The **Little Library** has been receiving regular visits from users. It is a wonderful opportunity for readers to open their mind to an imaginative world! You may have noticed that the library box received a fresh coat of paint this past year. Thank you to Pete Cardimen and our young members for continuing to support this project that generously serves our community.

Property & Stewardship

March 22

Property update:

Spring cleanup is scheduled for April 9th. We have contracted our lawn service company to do our mulching and edging again this year. Our team Fellowship Goal is to clean the whole property outside and inside the best we can. 10 am until noon... stop by and help out for two hours. If you're into planting some flowers on the property, please bring them to help provide some energy to the property.

We have a few opportunities with the building. As you all know, we had our roof repaired last year which was good. We have a few other opportunities as of now.

1. Lighting in the sanctuary. The panel is at this time overheating. After 2 companies provided us information, we've discovered the fans are not working to circulate air at this time. We did use some creative ingenuity with a spare fan in the closet so it seems to be ok as of now. I have one more meeting on Friday April 1st and we will go from there.
2. We purchased an attic ladder to replace the broken one in the classroom. I'm still trying to find a handy person to help install it. If you're able to work on this, give me a call.
3. Pastor noticed a leak in classroom one - when we investigated - we found a very extensive leak that has been on-going. The repair will eventually have to be to remove and/or repair the ceiling in the closet and then repaint the classroom ceiling. At this time we are waiting on bids. The first bid for the leak rubber replacement area on the roof is approximately \$6400.

With some of these extraordinary expenses - I would like to propose a VANCO giving fund for unusual property expenses to help out for these causes. Please consider **GENEROSITY GIVING** if you are able as every little bit helps. I will keep you updated monthly and weekly when extra cost is incurred when possible.

Stewardship:

I'm asking for a few volunteers to participate with stewardship if you can, as this year, in my opinion we have to spread our name and willingness to spread God's word to bolster our Church. Please think about it and let me know.

Hot Dog's & Hoops. We need volunteers for this project to make it work. What I learned last year is that it does have to be on the weekend, possibly from 12 until 2 when most youth can be out and about, and or a Friday afternoon around 4 to 6. I will be putting up a volunteer signup sheet soon.

We hope everyone is enjoying our continuing gradual return to normal in-person worship services. We began a return to liturgy and increased singing on March 6.

Pastor will be providing us with 2 more Midweek Lenten offerings. On March 30, the focus will be “Facing One Another” and on April 6, “Facing Suffering”. They follow the theme of “Facing the Cross”.

Palms have been ordered so that we may enjoy our traditional Palm Sunday worship experience.

On Maundy Thursday we will celebrate along with the Korean church members at 7:30 pm.

FLC will be hosting an ecumenical Good Friday Tenebrae service at 7:30 pm. Members of the churches from the Sawmill Interfaith group have all been invited and expressed interest in coming.

We will celebrate Our Lord’s Resurrection with 2 Easter worship services at 8:30 and 11 am.

There will be no 5:00 p.m. services on Easter Sunday, and the following Sunday, April 24th (pastor will be on vacation April 24 - 30).
