"Freddy's Twin" RO 0444949 is a super cock that is a spitting image of "Freddy". Children have scored out to 350 miles in young birds and out to 500 miles old birds in the New England Open.

LSL 144 is the only pigeon I sent to the Hoosier in 2022. She scored twice in the first two races. When I got her home from the race, she had half her 10th flight in. She was probably missing her 10th and had half a 9th flight for the final. She is bred from a brother to 1st Hoosier 2020 when paired to a Van Reet Kanibaal hen.
