Leanne;

Just as information, Mr. Fishbane and I met earlier today to discuss some pending issues with MCA. He said that I had permission to forward the report and letter from Hillsdale to my colleague in Lake county, as the documents are now public information. I did forward the documents, but wanted you to be aware as well.

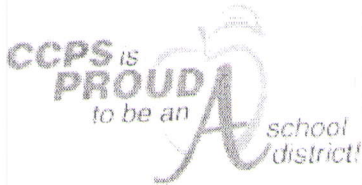

They are having a board meeting tonight and are letting me know they will replicate for their board members, as well as Mr. Gotz who has applied to open a charter, based on the Mason Model and with Mr. Hull as a consultant for principal training.

Should you have any further questions, please feel free to contact me.
