Dear Board/upper level staff.

Please be advised I spoke with Mr. Mathias yesterday afternoon sometime. He advised me that he would be contacting an attorney to recoup his funds. He also advised me that as a board member I and thus the rest of the board might have some exposure in regards to the funds.

Having unfortunately been involved in multiple lawsuits and seeing letters pass through my insurance company quite regularly. Rule number one is stop talking once someone says lawyer or lawsuit! So please be advised this is what I am recommending with Mr. Mathias.

I will be contacting our attorney in the morning to confirm but I would be shocked if he advised anything different.

Once I speak to the attorney I will confirm.

Thanks and good times!
