Brian Thornburg I asked the board specifically for an itemization of what would be included in the consent agenda and ONLY Bolduc's status was mentioned.

Matthew Mathias We need to retain this FACTUAL and PROVABLE documentation for the appeals hearing...in support of Fishbane's recommendation for revocation. Please send what you can to me via e-mail.

Robyn Domes Mathias Stupid question but why would they want to amend minutes?

Joe Baird We'll have to wait and see what the "sanitized" minutes look like by comparing to the older versions.

Robyn Domes Mathias [Joe Baird](#) do you think they're trying to make them appear not as sparse as they mentioned at the meeting today when they were talking with their attorney?

Joe Baird [Robyn Domes Mathias](#) Quite possibly. I know a lot of what was contained in Fishbane's report was based on what he found in meeting minutes and agendas. I'm sure they're trying to re-create history.

Joe Baird Thinking more about this. The board speaks through their minutes and their voting record. Therefore, amending the meeting minutes amounts to changing your story. In my opinion...

Robyn Domes Mathias [Joe Baird](#) that's exactly what I was thinking. They will amend them to curve the opinion that they had the best of intentions and they did nothing wrong

Tamara Murphy Switken  Because the Treasurer was not official. They just went back today and did that so all of the votes that were cast over that time period would be valid.

Joe Baird I wonder what Fishbane would say about that. Would he say they were ratifying an illegal act today?

Joe Baird [Tamara Murphy Switken](#) - They went all the way back to August of 2017. Why? Bolduc was "elected" just over 6 months ago. They wouldn't need to go back that far just to cover Bolduc.

Robyn Domes Mathias [Joe Baird](#) mr. Arnold would find a way to twist it so it appeared there is no wrongdoing. I was a tad miffed that the entire last half of the meeting was them defending themselves. Isn't that what is

supposed to occur with the investigation that MCA is paying \$25,000 for?

Joe Baird [Robyn Domes Mathias](#) - I had the same question. What happened to Coleman?

Angela Thompson Villanueva [Tamara Murphy Switken](#) what happens to the information you gave Mr. Coleman now that it looks like he is no longer legal counsel?

Angela Thompson Villanueva as far as I know he is. They guy on the phone at the Board meeting is the normal attorney for the school.

Robyn Domes Mathias Yes, Arnold is school attorney only

Heidi K. Williams Jinkins Per the website there is no Treasurer. Bolduc is listed simply as a Board Member
