

NOW DANCE

[Intro]

Okay!

Are you ready for this?

You're going to have to be quick to keep up with the moves

You can move however you want

You can dance however you feel

And you can spin in any way you want

Are you ready? (Yes)

Let's go!

[Chorus]

Now dance, dance, dance

Now dance, dance, dance

Now dance, dance, dance

Now dance, dance, dance

Now move, move, move

Now move, move, move
