

TRICK OR TREAT

[Intro]

It's Halloween everybody
Are you ready to go trick or treating?
Let's take a walk then

[Verse #1]

I was walking down the street
It was Trick or treat (Oh no!)
What was that?
What did I see?
(What did you see?)

I saw a witch
(A witch?)
An ugly old witch
With a black cat
And a wrinkled black hat
She had green skin
And a pointy old chin
I went around the corner
And never saw her again

[Chorus]

It's trick or treat
It's trick or treat
Up and down the street
In search for sweets

It's trick or treat
It's trick or treat
Up and down the street
In search for sweets

[Verse #2]

I was walking down the street
It was Trick or treat (Oh no!)
What was that?
What did I see?
(What did you see?)

I saw a mummy
(A mummy?)
Bandages around its tummy
It was looking at me funny
With its spooky eyes
And moaning cries
So I went around the corner
And said goodbye

[Chorus]
It's trick or treat
It's trick or treat
Up and down the street
In search for sweets

It's trick or treat
It's trick or treat
Up and down the street
In search for sweets

[Verse #3]
I was walking down the street
It was trick or treat (Oh no!)
What was that?
What did I see?
(What did you see?)

I saw a vampire
(A vampire?)
It had a long black cloak
And pale white skin
Blood on its thangs
And blood on his chin
So I ran around the corner
And never saw him again

[Chorus]
It's trick or treat
It's trick or treat
Up and down the street
In search for sweets

It's trick or treat
It's trick or treat
Up and down the street
In search for sweets

[Verse #4]
I was walking down the street
It was trick or treat (Oh no!)
What was that?
What did I see?
(What did you see?)

I saw a door
(A door?)
A big red door
With cobwebs all around
And a pumpkin on the ground
So we rang the bell
The door opened up with a creak
(Oh no!)
(Oh no!)
TRICK OR TREAT!

[Chorus]
It's trick or treat
It's trick or treat
Up and down the street
In search for sweets

It's trick or treat
It's trick or treat
Up and down the street
In search for sweets

It's trick or treat!
(Happy Halloween!)
