

WHO DID THE TRUMP?

[Intro]

Oh my goodness!
Can you smell that?
What's that smell?
Is it?

Could it be?
Yes it is!

Who did that trump!
Come on, put you hand up if you did the trump.
Did you do it? (Not me)
Did you do it? (No, not me)
Who did the trump?

[Verse #1]

I didn't do the trump
It wasn't my trump
The trump was really smelly
It was a smelly, smelly trump

[Chorus]

Who did the trump?
Someone did the trump
Who did the trump?
Someone did the trump

[Verse #2]

I heard the trump
It came from over there
The trump was really loud
It was a really loud trump

[Chorus]

Who did the trump?
Someone did the trump
Who did the trump?
Someone did the trump

[Verse #3]

I did the trump
Did you hear the trump
I did the trump
It was a smelly, smelly trump

[Chorus]

Who did the trump?
I did the trump
Who did the trump?
It was me who did the trump

[Verse #4]

Everybody trumps
Everybody trumps
My mom does a trump
A really smelly trump
My dad does a trump
A really smelly trump
My granny does a trump
A really noisy trump
My granddad does a trump
A really noisy trump
My dog does a trump
A really smelly trump

Everybody trumps
We all like to trump
