

I LOVE FRUIT

[Intro]

Hello everybody!
Who likes fruit?
Put your hand up if you like fruit
That's good!

[Chorus]

I like fruit
I love fruit
It makes me strong
It helps me grow
It helps me grow real strong

I like fruit
I love fruit
It makes me strong
It helps me grow
It helps me grow real strong

[Verse #1]

Can I have an apple please
I want to eat an apple please
I want to keep the germs away
Keep the germs away

Can I have a banana please
I want to eat a banana please
It helps me run and play all day
Run and play all day

[Chorus]

I like fruit
I love fruit
It makes my tummy happy
It makes my brain smart
It helps me grow really strong

I like fruit
I love fruit
It makes my tummy happy
It makes my brain smart
It helps me grow really strong

[Verse #2]

Can I have some strawberries please
I want to eat some strawberries please
They keep my smile bright all day
Smiling bright all day

Can I have some watermelon please
I want to eat some watermelon please
It keeps me cool when I'm hot
Keeps me cool when I'm really hot

[Chorus]

I like fruit
I love fruit
It makes me happy
It makes me feel real good
It helps me feel really good

I like fruit
I love fruit
It makes me happy
It makes me feel real good
It helps me feel really good

[Verse #3]

Fruit makes me strong
Fruit makes me grow
Fruit keeps the germs away
Fruit helps me play
Fruit makes me happy
Makes me happy all day

[Outro]

I like fruit
I love fruit
I love fruit!
(Yay!)
