

MY LITTLE ELF

[Intro]

Merry Christmas everyone
Are you ready for Christmas?
Then let's go!

[Chorus]

It's my little elf
My little
My little, little, little, little, little, little elf
My little

It's my little elf
My little
My little
My little, little, little, little, little, little elf

It's my little elf

[Break]

Now Santa's coming!
(Now Santa's coming!)
Are you excited? (Yes!)
The elves are listening
Do you know why?
So they can tell Santa all about you

Now let's see

Have you been good? (Yes)
Have you been naughty? (No, no, no)
Have you been good? (Yes, yes, yes)

Then let's tell our little elf

[Verse #1]

Elf I've been good (Elf!)
Elf I've been good (Elf!)
Elf I've been really, really, really, really, really, really good
I've been good

Again

Elf I've been good (Elf!)
Elf I've been good (Elf!)
Elf I've been really, really, really, really, really, really good
I've been good

[Chorus]
It's my elf
It's my little elf
My little
My little, little, little, little, little, little, little elf
My little

It's my elf
It's my little elf
My little
My little, little, little, little, little, little, little elf

It's my little elf

Okay
What type of elf do you have?

[Verse #2]
My elf is green
My elf is red
My elf is pink
My elf is yellow
My elf is blue
My elf looks just like you
My elf is naughty (oh no)
My elf is good (oh yes)

[Chorus]
It's my elf
It's my little elf
My little
My little, little, little, little, little, little, little elf
My little

It's my elf
It's my little elf
My little
My little, little, little, little, little, little, little elf

(Whose elf is it?)
It's my little elf
It's my elf!
My elf

Merry Christmas!
