\*Affordable Connectivity Program (ACP) is a government program providing eligible households with internet service discounts. One program discount per household. Discount expires upon FCC's termination of program; then our standard rates and service terms and conditions apply.

\*\*Verizon Forward Program: Limited-time offer for eligible residential customers with ACP applied to a Fios Mix & Match Internet plan. Discounts may vary. May not combine with all offers. Fios Mix & Match available in select areas. Wired speeds advertised. Wireless speeds may vary due to device limits, multiple users, network & other factors. See [verizon.com/yourspeed](https://verizon.com/yourspeed) for more info.
