

The Church in Prayer April 12, 2026

1. Thank God that we can rest in what we have in Jesus and be assured of our salvation. Thank Him for the truths of His Word and ask that He help us to trust them so that we can have the assurance we need.
2. Pray that God would comfort His Church in the Middle East so that they can comfort those around them. Pray for peace, faith, and boldness in God's children to declare hope to their neighbors during the current conflict.

4. Pray for the EFC in Venezuela as they seek to be a light in the midst of darkness by continuing church planting, developing new pastors, and extending their missionary efforts amongst the Sanoma in the Amazon jungle.
5. In your prayers this week remember Vice President JD Vance. He has been assigned to chair the White House Task Force to Eliminate Fraud. Pray for discernment for him as he takes this on and as the agency works to develop a measurable plan.
6. Remember President Trump in your prayers as there are so many important home and national issues to be dealing with at this time. Ask also that our senators and representative of both parties be willing to do what is in the best interests of the nation.
