

The Church in Prayer

July 26, 2026

1. Thank God that He warns us against false prophets and teachers. Pray we would be diligent students of His Word and are discerning to know the truth and reject those who do not honor His will.
2. Thank the Lord for our new members and pray for them as they discern how the Lord would use them for His service amongst us.
3. Pray for our Leadership Team as decisions continue to be made regarding replacing the roof on our church building. Ask for guidance and direction as so many things must be taken care of as we seek best ways to serve the Lord here in Storm Lake. Ask that we be faithful in trusting the Lord in His provision for our needs and thankfulness for what He has already done.
4. Dwain and Lois Holmes (in Omaha) find their ministry among Veterans goes on and is increasing. Ministry has increasingly taken Dwain into hospitals, nursing and rehab homes, as well as private homes for follow-up. He requests prayer for both he and Lois, for health, strength, faithful walks and continued opportunities to share the Gospel.
5. GlobalFingerprints requests prayer for the ministry partners in South Asia. They are facing increased persecution and opposition. Please pray for their protection as they continue to minister to the children and families in the program.
6. This week in your prayers remember Kevin Warsh, Chairman, Federal Reserve. He leads the US central bank, managing the country's money supply and interest rates.
7. Pray for the President to be led by the Lord in immigration enforcement policies and for protection for federal agents and for foreign nationals to comply with the law. Ask that the Speaker and Majority Leader would be discerning as they preside over their respective congressional chambers.
