

The Church in Prayer

July 5, 2026

1. Ask the Lord for forgiveness for hypocritical thoughts and unrighteous judgement of others. Pray

He would give us the wisdom and discernment we need to judge between that which is good and that which is evil. Ask that we would consider the needs of others before our own.

2. Thank the Lord for Keyla Angeles who is joining our office staff. Pray for her as she begins her duties and becomes familiar with our people.

3. EFCA Crisis Response is working with the Hawaii Flood Response after the devastating flooding this past spring in Oahu. Pray for the Response team, the Hawaii District and partner churches who are looking at new ways to engage the community with hope and healing.

4. Pray for all those attending and working with the Ran Forest Bible School coming up. Ask for good weather, good attendance, adequate workers, and that spiritual growth would take place in the children and there would be those who understand their need for a Savior.

5. Pray for health officials dealing with the Ebola outbreak in parts of the Democratic Republic of Congo and Uganda. Currently no ReachGlobal staff are at risk of contracting the virus but they are concerned about those who are. Pray for the political situation in the DOC as their president has proposed changes to their constitution that have created division and unrest in the country.

6. As you pray this week remember Secretary of Housing and Urban Development Scott Turner. The department is seeking ways to help there be more affordable housing opportunities.

7. No one can single handedly guide any nation. Pray that God would rule the good and overrule the evil in the lives of our leaders. Ask that they would see their need of a Savior.
