

The Church in Prayer

June 14, 2026

1. Praise God for his faithful provision for us in so many ways as His children. Ask that we would recognize His goodness to us personally as well as His sovereignty over the entire universe. Ask His forgiveness when we have not loved Him as we should and depended on ourselves rather than trusting Him.
2. Praise God for the safe arrival of little Chole to Jasmine and Jose. Pray for this family as they adjust to their newest little family member.
3. Pray for Pastor Jeremy Leu, his wife Irene and the family as their 4-year-old daughter has been diagnosed with Leukemia B and also an infection. This has been a difficult time as their house was damaged and they were working on repairs when this happened. Thank the Lord for the helpers who have been helping with this project. He is pastor at Riverside EFC in Linn Grove.
4. The Bridge will be holding their annual Run for the Future Fundraiser June 20th. Pray for a successful and safe event for all those participating.
5. Phillip & Missy Jensen (Nepal) would appreciate prayer over the next few months as they live the in-between life of summer home assignment. Phillip has accepted a position as a member of the KISC (school in Nepal) to teach secondary geography classes among other things. This position will help with the endless challenges with getting and holding visas and moves him toward more visa solidarity.
6. This week in your prayers remember Postmaster General David Steiner. The agency is facing solvency issues so ask for special wisdom in how best to proceed to be able to serve the American people.
7. Continue to pray for wisdom for the president and members of his administration as they seek to negotiate with Iran. Pray for direction as he considers appointments for federal positions.
