

The Church in Prayer

November 8, 2026

1. Ask the Lord for forgiveness when we have not told the lost about His love and what He has done for them. Ask Him for compassion and love for those we encounter that do not know Him.

2. Today is designated Orphan Sunday, pray that God would send compassionate adults into their lives to love and walk beside them. Thank the Lord for those who are working with them and pray for their needs to be provided and protection from harm, abuse, trafficking and exploitation.

3. Continue to pray for the slowing of the spread of the Ebola virus in Africa. It has spread to the area where many of the GlobalFingerprints children are located. Pray for their health and safety as well as their families, staff and church planters in the region and that the hope of Christ will be found as the Church lives out the gospel.

4. ReachGlobal requests prayer for AY, a local shopkeeper, in the Middle East church the planting team has gotten to know. He is reading the Bible with a few members of his family and believes that Jesus is more than a man. Pray God would help him see the truth of who Jesus is.

5. Pray for RG missionary Charis as she adjusts to moving into her new home in a village setting in Tanzania. Ask that she would be accepted into the community and be able to make friends as she adapats to a new culture.

6. In your prayers this week remember Andrew Ferguson, Chair, Federal Trade Commission. His priorities have been to see that patients are provided with accurate and complete pricing information from the nation's largest healthcare service companies.

7. Pray for the President, national, state, county and local officials as they adapt to results of the election this past week. Ask for wisdom and humility for them and true desire to serve the people they represent.
