

The Church in Prayer September 6, 2026

1. Praise Jesus for the blessing we have in knowing that He is more powerful than the storms that come our way. Ask that we would find courage and strength to rely on Him in all circumstances.
2. Phillip and Missy Jensen reported their family is safe after the recent devastation in Nepal. Only their youngest son was in the country with friends when it happened. Pray for the people who have lost homes, jobs, loved ones, and for the families with loved ones still missing.
3. ReachGlobal requests prayer for the church in Cuba as they continue grappling with electricity, fuel, and food shortages. Ask that God would provide strength and encourage pastors and believers to remain steadfast in Christ. Pray God would bring a revival in Cuba.
4. Continue to pray for churches in Venezuela that are responding to the earthquakes that have devastated the country and killed thousands. Ask for wisdom and long-term ministry partnership opportunities as they evaluate what was lost and begin the long recovery process. Pray for God's peace for the families that are grieving and for God's provision for this long-term response.
5. In your prayers this week remember Bryon Bedford, Administrator, Federal Aviation Administration. This month a new system in testing mode will be launched that uses predictive analytics for flight management. Pray this would help with airline safety.
6. Presidents face fierce challenges as well as opportunities on the domestic and international fronts. Ask that God would grant President Trump divine wisdom to navigate our country through the uncertain path that lies ahead.
