BARRIERS AND SHIELDS

WE CAN CUSTOMIZE TO YOUR NEEDS

Protect your employees by maintaining social distancing and physical separation.

All barriers are customizable to your business or office needs.

Contact us for other custom shapes and sizes.

WHY US?

QUALITY

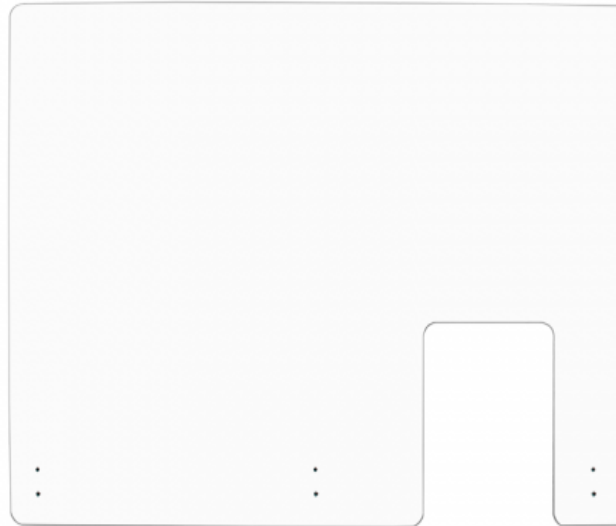

Our products go through quality checks to make sure your needs are taken care of by the highest standards our industry can provide.

CUSTOMER SATISFACTION

Our goal is always to achieve customer satisfaction. Our business relies on your recommendation to others. We strive to be your glass company above the rest.

CHECK OUT BARRIER

- This clear cashier shield acts as a physical barrier and helps maintain social distance.
- It is designed to be screwed into a store checkout lane, POS register area or customer service counter.
- Includes an access hole cutout as a pass-through for goods and payment. This barrier provides solid separation between customers and employees.

SELF STANDING SHIELD

- This clear shield acts as a physical barrier and helps maintain social distance.
- Freestanding benchtop design does not require installation
- Call us for a custom shape and size.
- This product is intended for commercial and industrial use.
