## Windows & Doors

*We Start with Quality and finish with Excellence*

Paramount Windows & Doors, the "Highest Ranked Wood Windows and Doors in the Industry." For over 20 years our company has been a leading manufacturer of high quality windows and doors throughout Southern California, specializing in providing a turnkey window solution for our customers. Our solid wood windows and doors offer improved aesthetics to compliment yesterday and today's design trends. Through technical knowledge and progressive engineering, Paramount Windows & Doors is able to provide its customers with energy-efficient and sound-attenuating products.

Paramount Windows & Doors is your source for superior quality windows and doors. We offer exceptional custom made products in everything from paint and stain grades to African and Genuine Mahogany, Pine, Red Oak and Douglas Fir; all designed exactly to your specifications.

Let our experienced artisans and craftspeople turn your drawings, sketches and specifications into the industry's most durable and attractive windows and doors.

If you need it now, depend on Paramount Windows & Doors for the fastest turn around time in the industry.

We proudly stand behind every product we manufacture. Each window and door is beautifully hand crafted from solid materials. All products are available in standard, oversized and custom widths and heights.

Our products and services include:

A full line of weather-stripped windows and doors available in custom sizes.

Specialties, radius, octagon, ovals, half-round, bay windows and more.

Solid jamb material for standard and oversized jambs.

All windows & doors are true divided lites, no simulated grids.

Certified products, all comply with California's Title 24 specifications.

Will warranty up to a 36" x 72" casement window.

Can match virtually all types of bar work.

All types and sizes of glass available.

R.O. 1/2" over net frame size.

No charges for special sizes.

Solid sash and frame.

Serving all of Southern California.
