## The Cw<sup>®</sup> story

Contractors Warehouse<sup>®</sup> was founded in 1972 and began designing and manufacturing its own products in 1976. Since then, Cw<sup>®</sup> has continued to expand its product lines and develop some of the finest home improvement products found anywhere in the world.

Today, worldwide operations and state-of-the-art, vertically integrated manufacturing facilities are controlled from its 258,000 square foot corporate headquarters located in the Santa Clarita Valley, just north of Los Angeles, California.

Additional facilities and showrooms located in Sacramento, California; Las Vegas, Nevada; Tempe, Arizona and Pompano Beach, Florida; in total over 500,000 square feet, as well as a broad distribution throughout the United States, keep us poised to serve and supply the residential, commercial and hospitality industries with equal ease and service.

# Cw<sup>®</sup> diamond quality guide

No matter what your style or budget, there's a Cw<sup>®</sup> tub/shower enclosure to fit.

The diamond quality guide system lets you quickly and easily locate your enclosure.

## Just follow the diamond quality guide:

### ◆ Diamond / GOOD

For the cost-conscious buyer, every 1 Diamond ◆ enclosure offers value at a truly affordable price. All Cw<sup>®</sup> shower enclosures come standard with Duratuf<sup>®</sup> tempered safety glass, high quality hardware and craftsmanship throughout.

### ◆◆ Diamond / BETTER

Move up in style and value when you select a 2 Diamond ◆◆ enclosure. Features include 3/16" Duratuf<sup>®</sup> tempered safety glass and polished aluminum interior and exterior exposed frame surfaces with matching anodized hardware and groundworks. The model 2000 includes a double heavy duty towel bar and a stylish wrap-around handle. Available in several popular styles and colors. 2 Diamond ◆◆ represents superb value at a great price.

### ◆◆◆ Diamond / BEST

When you see 3 Diamond ◆◆◆ you know you're buying the finest shower enclosure available anywhere. Choose from a number of popular enclosure styles and configurations that include framed and frameless styles. Our 3 Diamond ◆◆◆ enclosures feature polished interior and exterior frames with mitered corners in Bright Clear, Bright Gold, along with Bronze, Brushed Nickel, Satin Nickel anodized aluminum finishes and White (High-gloss) paint finish. Cw<sup>®</sup>'s exclusive Perm-Adjust<sup>®</sup> alignment system for out-of-square conditions ensures that every door operates smoothly. Our exclusive, Cw<sup>®</sup> patented rotary gear hinge replaces the unsightly piano hinge with a state-of-the-art design which is elegant, exceptionally strong and will not bind or rust. For the very best that money can buy, look for 3 Diamond ◆◆◆.

# CwShield™

Easy to clean, low maintenance. Applied to both sides of glass, not just one side like the competition.

CwShield™ is a patented molecular bonding process using vapor deposition and nanotechnology that permanently penetrates glass and protects the surface from hard water stains, calcium and lime build-up, as well as soap scum. Its diamond-like hardness shields glass for lasting protection and beauty.

In addition, by significantly reducing the frequent use of harsh cleaners, CwShield™ helps you do your part to protect the environment – eliminating harmful chemicals that can reach our streams, lakes and oceans, and the air that we breathe.

Help keep the beauty and value of your bath enclosure. Make sure your investment is protected with CwShield™!

# Architectural Impressions<sup>®</sup>

Cw<sup>®</sup>'s Architectural Impressions<sup>®</sup> starts with the finest quality float glass which is fabricated to your specifications, positioned into the artistically carved mold and then thermally formed.

Glass samples have been lighted to accent design.

- 8 standard designs to choose from
- Available in 1/4", 3/8" or 1/2" thick glass
- Custom designs available

Let your imagination run wild and design your own custom pattern, the possibilities are endless.

# ◆ GOOD

## Quality at an economical price

### ◆ Diamond Shower Enclosure

The 750 framed and the 1050 frameless sliding enclosures offer quality at a very affordable price. The 750 features 6063 aluminum extrusions finished in a Gold Sheen, Satin Clear or Silver Sheen. The 750 comes with color-coordinated glazing vinyl and butt joint corners. Included is an aluminum, single exterior towel bar with matching brackets.

The 1050 frameless sliding enclosure is available in Bright Clear, Bright Gold, Satin Nickel and White (High-gloss) finish. This is an exceptional value for the cost-conscious buyer on a budget seeking a contemporary frameless style.

For economical value, choose 1 Diamond ◆ GOOD.

Model 1050 pictured in a Satin Nickel finish with Clear Duratuf® tempered safety glass

Model 1050 pictured in Bright Clear finish with Bubbles Duratuf® tempered safety glass

# ◆◆ BETTER

## Exceptional value

### ◆◆ Diamond Shower Enclosure

The 1100 framed and 2000 frameless shower enclosures feature polished aluminum interior and exterior exposed surfaces in Bright Clear or Bright Gold anodized for a brilliant, diamond-like finish, or in White (High-gloss) paint finish for a clean, contemporary look. The 2000 frameless sliding enclosure also comes in Bronze, Brushed Nickel and Satin Nickel with matching aluminum heavy duty double towel bar and brackets.

The 5000 series semi-frameless shower enclosures feature a semi-frameless door with polished glass edges, elegant one-piece wrap-around handle and our optional patented Cw® rotary gear hinge.

The 6000 series framed shower enclosures feature a framed door with a full length magnetic catch and jamb seal. Available with our optional patented Cw® rotary gear hinge.

For exceptional value, choose 2 Diamond ◆◆ BETTER.

# **BEST**

**Top-of-the-line in style and value**

## **Diamond Shower Enclosure**

The 3000 series framed, 2400 and 2500 1/4" frameless bi-pass enclosures and the 4000 and 4500 heavy glass 3/8" frameless bi-pass enclosures are available in custom and standard sizes and configurations to fit any project. For the individual who wants less visible metal on a bi-pass enclosure, we have a jambless design with our 2600, 2700, 4600 and 4700 enclosures.

To meet today's design trends, Cw® has introduced our full line of heavy glass frameless doors with additional panels to offer a complete custom shower enclosure. Our 7800 and 8800 offer a sleek frameless top rail design with smooth operating 2" wheel assemblies and circular "thru-glass" door pull. The 8000 series 3/8" heavy glass and 9000 series 1/2" heavy glass give you top-of-the-line performance and quality.

Every 3 diamond ◆◆◆ frameless bi-pass and shower enclosure features polished edges and "thru-glass" hardware. Duratuf® tempered safety glass is standard with all shower enclosures. When only the very best will do, choose 3 Diamond ◆◆◆ BEST.
