## WELCOME

Dear Dance Family,

We would like to welcome all of our new dancers to Season 6! We are so grateful to have you apart of our dance family. Our goal is to provide you with quality training, performances, and an all around fun experience. Each month you will receive a newsletter via email and in our studio band app to keep you up to date on what's going on. We are looking to do many community events this year and will need the whole studio involved, so please be on the lookout for information that will be sent via email and in our "Band App". If you should have any questions, don't hesitate to contact our office.

Best Regards,  
Mrs. Dani
