AUTOPAY & TUITION REMINDER

This is a friendly reminder that all accounts must have an active and valid payment card on file. A working card is required for our monthly AutoPay process and is not optional.

Tuition is due on the 1st of each month. A \$30 late fee will be applied to any account with an outstanding balance after the 3rd of the month.

If tuition has not been paid by the 7th of the month, your child will be unable to attend classes until the account is brought current. Thank you for your prompt attention to this matter and for helping us maintain a smooth billing process.

BAND APP COMMUNICATION

If you have not yet joined our BAND app, please scan the QR code below to register. The BAND app will serve as our primary source of communication for important updates, including upcoming events, schedule changes, and class cancellations.

Please note that we generally follow the Beaufort County School District calendar and schedule; however, there may be occasional exceptions. We encourage all families to stay connected through the BAND app to ensure they receive the most current information.
