The Paint

**THE PALETTE:**The palette is an unsung hero of painting. It’s where you’ll mix all those great hues for the CMJ class and then to create wondrous works of art. Although the variations of this tool might seem the same, not all palettes are created equal. I’ve listed my personal favorites with links below.

**For acrylic paint:** you’ll want to look for deep wells and opt for a palette that has **ample** mixing areas. Some artists use a white butcher tray (also on Amazon and included in the list below), but I find it’s more difficult to keep the paint from drying out.

### **ACRYLIC PAINT PALETTE**

**Masterson Sta-Wet Palette with Airtight Lid Keeps Paint Wet Fresh for Days, with Pack of 30 Acrylic Paper 8 1/2 in. x 7 in, and Pack of 3 Handy Palette Sponges + Bonus Gift Boutique Artist Full Apron. \$30.00**

**MASTERSON ART PRODUCTS MAS105.1 Palette Seal Acrylic Film Refill for 100. \$13.99**

### **ACRYLIC PAINT BRUSHES FOR CMJ:**

These brushes are synthetic, but have all the shape-styles, and is a great price for the variety of brushes and can be used for oils, acrylics or watercolors. They will work just fine for what we are doing in CMJ ...and will allow you to get familiar with all the brush shapes:

**Paint Brush - Set of 15 Art Brushes for Watercolor, Acrylic & Oil Painting - Short Handles. \$19.97.**

**For a cheaper set: Liquitex BASICS Paint Brush 6-Pack, Short-Handle \$7.25 on sale right now. More brushes than you need, but a good set for the price.**

### **CLEANING AGENT:**

Water in a plastic cottage cheese or yogurt container or short glass jar will do!

## PAINT:

The interesting thing with acrylics is their wide variety of viscosity. From heavy body acrylics are similar in flow to oil paint, while fluid acrylics are thinner and can be used for staining or airbrushing.
