

# Stratus Flight U.S.A.

## Capability Statement

### CORE COMPETENCIES

#### Chemical Solutions | Logistics Expertise | Compliance-Driven Operations

- Comprehensive Chemical & Lubricant Distribution: Expertise in supplying petroleum-based lubricants, industrial gases, specialty chemicals, and custom chemical blends tailored to meet the needs of government and commercial clients.
- Regulatory & Safety Compliance: Commitment to strict adherence to all applicable federal, state, and local regulations to ensure the safe handling, storage, and transportation of chemical products.
- Strategic Supply Chain & Logistics Management: Efficient coordination of procurement, warehousing, and reliable distribution strategies to ensure seamless fulfillment across diverse industries.
- Industrial Gas & Chemical Solutions: Providing high-purity industrial gases, specialty compounds, and essential chemical products for manufacturing, defense, and energy sectors.
- Customized Procurement & Fulfillment Strategies: Developing tailored chemical supply solutions, bulk purchasing options, and contract-based fulfillment to support operational efficiency and environmental compliance.

### DIFFERENTIATORS

- Strategic Chemical Partnerships: Strong relationships with trusted manufacturing partners to provide high-quality specialty chemicals tailored to unique client requirements, including the ability to accommodate large-scale orders.
- Custom Solutions: Expertise in delivering tailored chemical formulations and alternative solutions designed to meet specific government and industry compliance needs.
- Reliable Fulfillment & Logistics: A well-established distribution network and supply chain infrastructure ensure efficient and timely deliveries, even under demanding deadlines.
- Sustainability & Compliance-Focused Approach: Commitment to environmentally responsible product offerings while maintaining adherence to all applicable industry regulations.
